### E. C. Morris Ministers' Institute Parishioner:

On behalf of the E. C. Morris Ministers' Institute Board, Dr. John Modest Miles Coordinator, and Dr. Clifton Conley, Coordinator, the decision has been made to officially **CANCEL** the March 29 — April 2, 2020 Ministers' Institute scheduled to be held in Little Rock, AR.

In view of the seriousness of the Coronavirus-19 unprecedented pandemic, it was with the safety and well-being of all our conferees in mind, along with great prayer and contemplation that we came to this decision. We apologize for all inconveniences, especially to those of you who've made travel and accommodation plans. Protection, recovery and restoration is our hope for each of you. As warranted, this correspondence can serve as verification in retrieval of potential loss.

Many of you have expressed your desire to continue your support of Arkansas Baptist College. We applaud and thank you! Our current project for the College is a much-needed new roof for the gymnasium at a cost of \$21,000. Your continuous contributions are needed to complete this project which will enhance the college's overall useful benefit, and give the president, faculty, staff and students that added assistive investment.

Together, in our E. C. Morris Ministers' Institute Partnership, the college can thrive, transform lives and produce world-class leaders. Please mail your tax-deductible check or money-order to:

Again, please accept our apology and appreciation for your cooperation and understanding. Even though the Coronavirus has lethal impacts, glimpses of unity and relief looms! Psalms 46:1-2a (ESV) reminds us, *"God is our refuge and strength, an ever-present help in time of trouble. 2 Therefore we will not fear..."* We will trust. With God's grace, wisdom and help; let's look forward to our E. C. Morris Minister's Institute fellowship next year. God Bless each of you.

Sincerely,

The E. C. Morris Minister's Institute
