Greetings:

God has truly blessed the ***Ushers & Nurses Ministries*** of the Consolidated Missionary Baptist State Convention of AR, Inc. (CMBSC). Despite the global pandemic, we've continued striving, not only to serve the Lord's "Doors of the Church," but also throughout our many communities.

This year, I'm pleased to announce that we're looking forward to attending the first totally "in-person" Baptist Convention in over two (2) years, **September 5th – 8th in Houston, TX**. It's also an opportunity to represent our state during our "**Ushers & Nurses Presidential March!**"

As President of the CMBSC Usher's & Nurses Division, I'd like to solicit your support in representing the great state of Arkansas with a monetary donation. Your donation will go towards supporting our continued outreach programs, and our servant work for the Lord. Please mail your check or money order in support of this event **No later than, AUGUST 31st** to:

We've truly Come This Far by Faith, and I want to sincerely Thank each of you for your steady and diligent work in moving our Ministry forward in the Lord.

In Christ,

Fannie Scott
