

Process for Starting Center-Based Services

Timeframe varies depending on funding source and back and forth of communication between you and Behavior Balance Point

WE
Schedule A Meet
and Greet

- Meet in person or virtually for about 30 minutes
- Ask questions & share hopes
- Discuss next steps
- Review intake paperwork
- Discuss on-going scheduling options

YOU
Return Paperwork

- Behavior Balance Point intake packet
- Depending on funding source you may also need to supply:
 - Diagnostic paperwork; Letter of necessity from doctor (we can help with this)
- Optional documents include: IEPs from school, Treatment plans from other providers

Behavior Balance Point
Gets
Authorization

- *If applicable*
- Compile necessary documents to get authorization to complete an assessment

Behavior Balance Point
Does
an Assessment

- In-depth interview with caregivers about strengths and areas of concern
- Observation and direct interaction with learner

WE
Review Results

- Behavior Balance Point will review a write-up of their findings and recommendations
- Goals will be reviewed and approved by caregivers

Behavior Balance Point
gets
On-going Authorization

- *If applicable*
- Behavior Balance Point will send the approved treatment plan into the insurance provider for approval of on-going services

WE
Start
Services!

- Behavior Balance Point will work with your child 1:1 to work on treatment goals
- You will be taught techniques to use at home
- Collaboration will continue to be sure that your learner's progress continues in the way best for them!
