MindBridge Learning Academy

Schedule

Office Hours

Monday- Friday 8:30 AM-4:30 PM

School Days

Monday, Wednesday, Friday (Hybrid Flex Days)

Tuesday and Thursday (F2F Collaborative Work)

School Attendance

Attendance is verified each day through the Learning Management System (LMS). Students are expected to log-on and complete the equivalent of 2.5 hours of seat time or five percent (5%) progress daily 80% of coursework. Students who fall below these metrics must participate in an attendance call with the Academic Dean and develop a plan of success.

Registration

A non-refundable registration fee of \$75 is paid each year for each registered student.

Registration secures a student's enrollment in the Learning Academy each year. Registration is due August 1st.

Course Packages

Before choosing courses for the semester or year, students may meet with an Academic Dean to review transcripts, discuss goals, and ensure they are on track for grade-level and graduation requirements. At MindBridge Education, we believe parents and students are key partners in shaping a student's academic path. For this reason, parents are encouraged to join this collaborative planning meeting.
