Section 2 | the **Communication of project**

Brian learned from an early age the importance of making relationships. Growing up as a 'military brat,' he was never in one place for too long. So, he learned to make friends everywhere he went, Pennsylvania, Hawaii, Virginia, and even London, England! Some of these friendships are still held today.

TAKING THE LEAD BOLDLY....

Later in life, fueled by his passion for people, he dove into the hospitality industry - focusing on restaurant management. Drive and enthusiasm drove him into the small business world in 2016 when he and his partner opened a marketing & technology agency.
