What is Legacy Advertising?

Above and Beyond Reach the next generation.

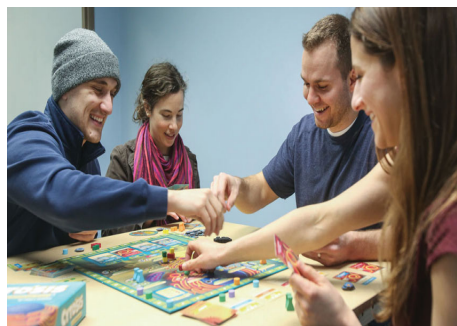

GET IN THE GAME

Advertising is Fun
Get on Board
Be a Player Today

Internet Connection from a Board Game - new QRcode connections...

There's a New Game in Town

MoabOpoly tm is where you want to Get in the Game! Board Games and family time are making a return - with integration online, it's the perfect combination of entertainment whether it's at home, at a party, or in your RV on your Adventure!

Think the standard monopoly style play - customized to the Moab adventures you have come to love. Properties and fun cards of chance and more.

Picture your brand, product or service, integrated into the game, or boldly featured on the box! This type of Legacy Advertising is designed for long term ROI. Each Limited Edition makes the release new and fresh, with new adventures.

Board game play isn't where it ends... the adventure continues with QRcode integration for push through options to your website for direct contact with the player/customer.

Good times and more customers lay ahead with MoabOpoly tm - Get on Board - Get in the Game... and be a Player!

Marketing Made EZ

We will walk you through the advertising menu. There many ways to position your brand in this innovative game.

Replace your ads for next year today. Lock in Multiple Year Ad Extension at a Discount Rate. Secure your position on the board.

New CanyonLandOpoly™

In Canyonlands National Park, river meets desert, forming striking canyons and towering flat buttes and mesas. Explore all four districts of the park. Your Exposure on the CanyonLandOpoly™ Board will go home with Moab tourist and be played for years. Extending future Exposure and Legacy Advertising.
