### Twanger (Glastonbury)

A deliciously creamy, full bodied hard cheese. It has a wonderful character & complex flavour which is tangy & deliciously rich. Lovingly matured with a sweet finish.

### Shropshire Blue (Leicestershire)

Laced with blue, this creamy cheese is made with unpasteurized milk. The orange hue contrasts beautifully with the blue veins leaving a cheese that is a pleasure to the eyes & the taste buds!

### Oxford Isis (Oxford)

A deliciously soft & sticky cheese. It is washed in honey mead, giving it a tangy, pungent rind & if you love the pungent washed cheese of France then you really should give this one a try!

### Rosary Goat's Cheese (Hampshire/Wiltshire)

This award-winning, moist & velvety cheese offers a melt in the mouth sensation with a light & fluffy texture. It has a creamy & cleansing flavour, a natural hint of fresh lemon & a clear 'goaty' aftertaste.

### Cornish Yarg (Cornwall)

Before being left to mature, this cheese is wrapped in nettle leaves to form an edible, yet mouldy rind. The texture varies from creamy & soft to a Caerphilly-like crumbly texture in the middle.
