Wookey Hole (Dorset)

This Cheddar is matured in the famous limestone caves of Wookey Hole. The caves' ancient & natural flora give this cheese it's distinct character.

Vale of Camelot Blue (Somerset)

This is a satisfyingly rich cheese with rounded, complex flavours, a piquant finish & a smooth creamy mouth feel. Enjoy with a glass of 'El Camino' Argentinian Malbec.

Oxford Isis (Oxford)

A deliciously soft & sticky cheese. It is washed in honey mead, giving it a tangy, pungent rind & if you love the pungent washed cheese of France then you should really give this one a try!

Curds & Croust Goat's Brie (Cornwall)

This cheese has a deliciously mild & creamy flavour, with a soft texture that changes over time as the brie continues to develop & mature over it's lifetime – it's versatile & perfect for sharing!

Cornish Yarg (Cornwall)

Before being left to mature, this cheese is wrapped in nettle leaves to form an edible, yet mouldy rind. The texture varies from creamy & soft to a Caerphilly-like crumbly texture in the middle.
