Wookey Hole (Dorset)

This Cheddar is matured in the famous limestone caves of Wookey Hole. The caves' ancient & natural flora give this cheese it's distinct character.

Blacksticks Blue (Preston, Lancashire)

Gold award-winning, this is the original contemporary farmhouse blue cheese. Made with love, using traditional handmade methods, under the watchful eyes of Blacksticks cheese experts.

Tunworth (Hampshire)

An English camembert good enough to make a Frenchman weep! Vegetal, porcini-flavoured & intense.

Berkswell (Cornwall)

A hard ewe's milk cheese with a complex sweetness. Its gentle tang & slightly granular texture often draws comparisons with the Spanish cheese Manchego.

Cornish Yarg (Cornwall)

Before being left to mature, this cheese is wrapped in nettle leaves to form an edible, yet mouldy rind. The texture varies from creamy & soft to a Caerphilly-like crumbly texture in the middle.
