

We have been giving to over 1000 charities and organizations and we would continue to give on a much higher level! At this time we give as much as we can. There are over 200 million Christians in the United States and if everyone gave 20 dollars per week to our 1000 charities and organizations then each charity and organization could receive nearly 200 million dollars each year. That means 200 billion dollars will be donated by the Christians of the United States every year! If we all kept this up for 10 years that would equal 2 Trillion dollars!! The Lord has said the tithe is his which is equal to 10% of your income. Average income in the United States is over 30,000 dollars. Average tithe would be 3000 annually which equals 57 dollars a week. There are many people making much more than the average. So the 20 dollars per week should be easily obtainable!! Christians who love the Lord should have no problem with giving 20 dollars. Many people give much more than the minimum 10%! The Lord loves when we give from our heart! If everyone gave just 10 dollars annually then we could give nearly 2 million dollars to each of our organizations.

Our charities and organizations were chosen by us after praying to the Lord for guidance and because of their many blessings they give to this world! We have chosen organizations that try to help people with diseases and cancers. We hate to see people suffer and die prematurely. We have chosen those organizations that want to see everyone in the world properly fed, clothed, and have proper medical care. We have chosen organizations that want to help clean up the oceans, the rivers, and the air. We have chosen organizations that love the Lord and others by sending missionaries to the 4 corners of the earth. We have chosen top rated Christian universities that are training students to be leaders in reaching the unreached. We have chosen secular universities to adopt a new degree in missionary leadership! We have chosen megachurches that could strengthen their program for sending missionaries to complete the Great Commission! We have chosen organizations that help protect and manage all the animals and resources of the earth. We have chosen museums and foundations that preserve our heritage for future generations. We have chosen television and radio companies that deliver the Gospel 24 hours a day. We have chosen organizations that translate the Bible into the heart language of those that do not have a Bible. We have chosen organizations that help our veterans. We have chosen many evangelists that preach the Good News to the world. We have chosen organizations that help children, widows, and homeless people. We have chosen organizations that support the Jewish population. We have chosen those organizations that support women and stop abortions by placing the baby in a good home. We have chosen organizations that help the blind, and the disabled. The following are the 1000 Plus organizations! All the Glory to God and only to God!! We are starting to form a foundation called the 1000 Plus Foundation. The Plus is for the next 1000 organizations which would make 2000 organizations. We would love the people to participate by naming their favorite charity or organization in our next 1000! We will offer a Board seat to each of the member organizations! They will have a vote for the selection of new members and of all typical board decisions! To receive the 200 million dollars annually they will have to draw up a perspective of how they will spend the money which will be scrutinized by the board members for compliance with the Bible. See our website at www.1000plusfoundation.org for any donations.

This is the 1000 Plus we give to! Could you add to the List for the next 1000? Please contact us for your addition! Write to us at: foundation@1000plusfoundation.com.
