## ***Our Menus***

Ambrosia & Fig's food is sexy-pure & Authentic fresh cuisine. Your delicious menu will be created by hand using delectable local ingredients whenever possible and made exactly the way you want it, we love making our clients happy and that contagious passion is evident by our testimonials, reviews, and awards.

Our team are Vegetarian, Vegan, Allergy and Gluten Free experts. We do delicious whole event menus with special requests, or we can make special plates for those guests, as you choose, creating a completely personalized menu with you.

Whoever said that “love is food for the soul” has never witnessed a group of hungry humans at a wedding reception where there’s not a bite in sight. Love may be in the air but guests will be looking for something palpable on their plates more than anything else. We strive to meet all senses to ensure your guests a memorable day. The truth is food and drink hold a prime place at any event, whether it’s a plated dinner, a cocktail party, or a back yard bash. An ample supply with set the tone, bring people together and fuel their bodies for dancing into the wee hours.

We have created menu’s that range from southern affair to Italian and back to BBQ. Our team is trained in cuisine from all regions and specialize in Dessert, Amuse Bouche, and beyond.
