*The average turnaround time for photos is 1-3 standard business days depending on the time of year and workload. Same-day processing is available for an additional fee. The video productions are delivered within 2-3 business days.*

*Please have the home ready at the scheduled appointment time. This includes having cars removed from driveways when possible, the residence cleaned and de-cluttered, all lights on (interior and exterior), windows shades open, fans off, etc.*

- \* Home Prep Fee: \$60 will be added to the invoice if the photographer needs to assist with home staging, cleaning, or moving excess items after arriving to take photos at the scheduled time.
- \* Travel Fee: Whenever traveling over an hour to the location or making return trips, a \$40 fee will be incurred. This fee may go up with an excess distance. I currently do not travel outside VA.
