

SO **ME** CORVETTES

The Airfield Cafe North Hampton, NH

Sunday August 16th 10:30 AM

I-95 Kennebunk South Bound Plaza

Caravan Details, Itinerary & Rules

Today's Caravan: We journey down from Maine to the Airfield cafe in North Hampton, NH and a lunch visit to **Airfield Cafe** followed by an afternoon cruise down Route 1A into Seabrook, NH for Ice Cream.

Starting point: 10:30 AM I-95 Kennebunk South Bound Plaza

Departure: We will have a short safety meeting at 10:45 am. with departure at 11:00 AM sharp

Arrival: Airfield Cafe 12:15 – 12:30 PM.

Starting point: Our Starting point today will be the I-95 South Bound Plaza in Kennebunk. If you are coming from the north this will be exit 25. Our arrival time should give us plenty of time to chat and use the facilities. We will hold a very brief meeting at 11:15 AM just before departing to our destination. Radios will be on Channel 5.

Arrival Parking: Upon arrival, we will be parking on the grass to the left of the cafe. We would like to have the cars lined up for pictures and for those at the cafe to enjoy seeing the cars. If possible let's try to park with the rear of the cars facing the runway so we can get photos of the cars and any aircraft.

Lunch: The cafe is open 7-2: PM **We have outdoor reservations for our arrival!** If anyone wishes to eat inside you will be seated on a first available seating. The restaurant does accept credit cards. (The extensive Airfield Cafe menu is included on the last page of the itinerary).

Return trip: We will be heading north to get over onto **Rt1A** for a scenic journey down thru Rye & Hampton Beach for our final stop at Dunlop's Ice Cream in Seabrook, NH to conclude our day!

Have lots of fun, be safe! And we ask that you take lots of caravan pictures during the journey

Below is the list of rules and they are in place to ensure everyone has a safe and enjoyable ride experience! Do not glance over them; be aware of each rule and your responsibility in following them! **Our ride participant's safety and the safety of the drivers we encounter must always come first!**

Rules & Safety Guidelines

1. If this is your first caravan, be cautious and stay alert! Be aware of the car in front of you at all times **DO NOT GET SPREAD OUT, but leave enough distance between your car and the one you're following!** Remember, it's a procession not a race!
Also try and know if the car in front of you is an automatic or a standard, as those of us with standards don't always use the brakes alone to slow the car!
2. **USE YOUR TURN SIGNAL AT ALL TIMES!** Every Car, Every turn! Cars as close as three back from the ride leader will not be able to see the leader's turn signals and it's imperative that you help out the riders behind you by giving them a heads up! use your turn signals!
3. **Be considerate of all your fellow Corvette's,** No burn outs, engine revving or any behavior other than, us all behaving like choir boys and girls on our first day of drivers Ed!
4. **There is never any passing within the Caravan and we'll try and stay close to the speed limits at all times!** We'll be traveling lots of main two-lane roads and back roads and should encounter just a few city streets, however if we get separated by stop lights, The group leader will pull over at the first safe place large enough for the waiting cars to stop and remain waiting till everyone gets through the lights. **DO NOT RUN traffic lights!**
5. **At our designated stops, remember to pull all the way into any parking area** as quickly and safely as possible to get the stopped cars behind you off the highway. Due to the size of our groups, every stop will take time to get everyone off the Highway! Always try and back into your parking spaces as it makes it easier when we leave the location.
6. **If at any time you encounter a problem,** go ahead and pull over and the caboose car will stop and check on you and the caravan will continue and you can catch up at the next scheduled stop.
7. We will use ***channel 5*** for anyone bringing their own radios. **If you get separated, don't despair,** as the group will pull over and wait for you as soon as there is a safe location to do so.
8. **When you pull over to the side of the road, stop with your wheels turned out towards the road** so that when you see it's all clear to proceed, you can pull back into formation quickly. Look for the car behind you to enter back into traffic and proceed in front of them! The caravan goes back into traffic from the back to the front! If we stop, do your part and pull off the side of the road and watch behind you for the cars to pull back into traffic.
9. **DO NOT EVER TAKE OFF IN FRONT OF THE GROUPS LEAD CAR!** Unless you are leaving the caravan and heading straight home!
10. **Remember,** you are representing **SOME C** and as such we ask that you always be courteous and kind to everyone you encounter during our caravans and events!

The cafe is located at the end of Airport Rd in North Hampton, NH
