CAMP DESCRIPTION

The structure for this camp has three focuses - Education, Training, and Competition. Each camper will learn the "why's" to the kicking and punting craft; aiding the development of self correction throughout the season. Additionally, through film and evaluation, each camper will leave with specific drills and goals to help launchpad themselves to the next step as a specialist. Each camper will have their chart film uploaded to YouTube. Near the conclusion of camp, we will compete against each other in a bracket-style competition. Seeds will be determined based on charts from earlier in the day. Winner(s) will receive 1-month free of small group training at the Metro-Detroit, Cincinnati, or Grand Rapids locations. There will be a camp intermission for lunch.
