

# Horseman Jack Lieser

Jack will be here at 7IL Ranch every Wednesday afternoon/evening giving private, semi private and group lessons.

Jack is known for his ability to help riders with some of the challenges that horses present such as trailer loading, lack of ground manners and spooking on the trail.

With his down to earth, easygoing style he helps simplify riding concepts for the English or Western rider.

If you need help on the ground or in the saddle, Jack can help you achieve your horsemanship goals with his methods which are rooted in classical dressage, natural horsemanship and western riding.

Jack has started and trained hundreds of horses from almost every breed over the course of his 20 year career as a trainer and clinician. He has created fun trail events here in Texas and Minnesota and is also known for his clinics and work with the Nokota® horse breed from North Dakota.
