

Mystic Winter Market

Gifts with Intention for the Holiday Season

Friday, November 29th 6-9PM

Saturday, November 30th 10AM-4PM

Sunday, December 1st 10AM – 2PM

The Mystic Winter Market is a three-day pop-up shop located in the Hawk Moon Healing Arts studio at:

3056 Sydenham Road, Elginburg ON (7mins from 401 Kingston)

The market will feature handmade items from local makers as well as gift items from the Hawk Moon retail store. Makers will drop off items to be displayed and sold by Jeni on consignment. The application process helps to maintain quality and keep products of the same category to a minimum.

We are accepting products that appeal to the lightworker, spiritual junkie, bohemian and holistically minded folk such as:

- natural body products
- natural home products
- crystal jewelry
- intuitive art
- metaphysical tools and gifts (crystals, oracle cards etc.)
- products with an inspirational message
- holistic lifestyle products
- clothing

How it all works:

You drop off your products and inventory list (finer details in consignment agreement) and Jeni will display and sell your items in the three-day retail store. You don't need to stand at a table all day or you can even take part in another event on the same day if you wish! Consider the consignment fee your free time and the \$40 your table fee for three days.

Fees:

There is a \$40+HST (\$45.20) minimum deposit for participating due November 1st, 2019. If your sales surpass this \$40, you will begin to pay the 30% consignment fee (minus the deposit). If your products don't sell more than \$40, you don't pay another cent. Jeni will send you an e-transfer within one week for the total amount.

Don't sell a product but want to be included? Donate a service!

There will be a fundraiser for a local charity (to be announced) by way of selling tickets for a gift basket. Donating a product is recommended but optional for consignors. If you offer a service that appeals to this market, you are welcome to donate too! Your business name will be advertised on social media.

To apply, please visit www.jenijuranics.com/mystic-market and scroll down to the online application form. You will be notified ASAP if your products are accepted. Once accepted, your space will be confirmed upon receiving a signed agreement (download on website) and the deposit fee by e-transfer.

Please forward any questions to info@jenijuranics.com. Talk soon!
