

Field Erected Cooling Towers, Aftermarket Parts and Service

149 Avenue at the Common, Suite 3, Shrewsbury, NJ 07702
Tel: (732) 389-2200 • Fax: (732) 389-9200 • www.amertechtower.com

Who we are:

Ameritech Tower Services, LLC (ATS) serves the needs of the power, industrial and HVAC evaporative cooling markets with new cooling towers, repairs, spare parts and aftermarket services.

Mission Statement:

Ameritech Tower Services strives to be the preeminent cooling tower solutions provider. We are totally committed to take a proactive role in safety, management, and the environment. Our goal is to make our services so distinct, so valuable to our customers, so important to their successes we become indispensable.

Safety:

It is the policy of Ameritech Tower Services to strive for the highest safety standards in our industry. Our top priority is to provide all our employees with a safe work environment as free as possible from hazards. Our goal is not only to maintain our safety status, but also to continue to improve upon it.
