

"We need to use what Mother Nature gave us before Father Time takes it back."

"Always maintain your awesome love that nature provides you."

"Nature is our guide to how humans can acquire spiritual growth from a higher power."

**"Quality of Life is not what you have,
it's how you live it."**

**"Love is not a feeling ... Love is giving
spiritual growth to someone else."**

**"It takes a big man to realize the
value of such a small coin."**
