

## ~ Mystics are Exotic Creatures (pt. 2) ~

Few can abide the presence of one of these intensely Spiritual beings in close proximity to them for these are they who literally can see completely through you and will know by intuition the level of your sincerity of communication with them as well as any and all pretense or things held back or “static” on the channel or “hidden” intents and meanings and on and on and on....

If they CARE enough to probe you on these levels, it is only to see if you wish to overcome such problems and/or to make you SEE them. Many times, the “knee-jerk” reaction to this is that you will either typically become completely uncomfortable and defensive and BOTH of those will be a DIRECT proportion to the level and intensity of the things you are hiding from them and/or even WORSE, hiding from yourself, or denying the truth!

EITHER WAY, whichever it IS, WILL be revealed to the Mystic, and you will not be able to escape this.

In such an agitated state, some even can only offer a Mystic contempt!

THOSE are the absolute WORST off! So “hard-wired” into a mentality of negativity, they have become what they have chosen, thus the reminder, “And whosoever shall not receive you, nor hear your words, when ye depart out of that house or city, shake off the dust of your feet.”

This is for their own SAFETY! The Mystic will not give you the opportunity to FURTHER anger, the Creator that is ALWAYS underpinning the path of the Mystic, but at such a junction, you ALSO will not be able to come away saying, “No one TRIED to tell (help) me,” EITHER.

This is a terrifying walk and again, not for the feint of heart, whose life is ruled by the flesh. A Mystic has “paid the price” of putting the flesh under subjection, otherwise the Spirit cannot flow unimpeded. As this material is NOT meant to be a “manual” of HOW to get to GET to that point, suffice it to say, this material is offered as merely a PROFILE of one, instead.

A Mystic thrives on things completely foreign to most.

These beings are forever amassing knowledge and wisdom, for THIS is their sustenance. More importantly, when you are dealing with such an individual, remember, they are NOT subject to the same needs and things that you are. In these individuals, the needs of the flesh can literally be turned OFF! These include but are NOT limited to: the “need” for food, sleep, water, sex and even air itself is under their subjection, particularly when “on task” as WELL as many, if not ALL “bodily functions.”

The ONLY reason the Mystic walks in these gifts is BECAUSE those things have been overcome in them. What they need, more than ANYTHING, is for YOU to grow and flourish, but by no means is their evaluation of success on these levels tied to ANY material reality, rather, the way they see and read your current energy field, the POTENTIAL of it, and the DESIRE to approach that potential. In the “analytical” dynamic, science has a MIMIC for this, called “Neurolinguistics” and it is very deep and convoluted science, but people TRAINED in that, can be successful in being able to PARTIALLY determine someone’s thought processes and predict reactions to various things in people by carefully analyzing HOW a person communicates, forms sentences, phrases, inflections and a number of other subtle nuances. A Mystic however, is INNATELY gifted in these things and FAR superior than what can be achieved empirically by “book learning.”

A Mystic is ONLY going to be present in your life in order to teach your SPIRIT! Expecting anything less from them, while most are “Renaissance” types anyway and can impart knowledge in material things, their HIGHEST mission call is to nurture your Spiritually. NEVER try to “tap” into what a Mystic can do for you on a material level, if you are NOT willing to accept their lessons in the Spiritual realm, for if you do, they will correctly identify you as a fraud and a thief. Hurt them INTENTIONALLY, or MALICIOUSLY, in ANY way, and you are in dire jeopardy of He who directs their path, visiting something far WORSE to you, than you could EVER do to them, and many times, IRRETRIEVABLY!

Highest Regards and Much Love,

Kevin
