

~ TRUE "VISION" ~

(Pt 5)

Unblocking and activating the Pineal Gland, must be a process considered sacred and for those attempting to do so without the very purest of intent most certainly will suffer gravely, for it opens a hole in your Karma large enough to drive a SEMI through, if your intent is less than honorable, and a price will be exacted the same as if ANY OTHER SACRED thing is defiled intentionally... That said, let us continue this series....

The process of detoxifying and decalcifying the Pineal Gland itself may well pose problems. Depending on the level of toxicity present, during this phase it is quite entirely possible that physical illness may ensue due to the toxins breaking free and passing through your system, however, this WILL PASS! A full detox may even induce passing LIVER STONES! These may appear as pebbles in your stool over a few days, and can be quite disconcerting... Now, onto the "meat" of this installment...

The pineal gland long has directly been intimately connect with true Spiritual Vision. These abilities are connected to but by no means limited to things such as which includes the ability to observe chakras and auras, precognition, "VISIONS" and out-of-body experiences, just to name a FEW... People who have allegedly developed the capacity to utilize their third eyes are known as "SEERS" as they TRULY do "see" well BEYOND the five "senses."

This "stargate" once opened and active REQUIRES TREMENDOUS mental discipline and already highly evolved Spiritual abilities simply to just PREPARE for this activation as it EASILY can lead to serious pschic damage such as it literally can drive people insane if not understood, accepted or developed correctly, or an improper "FOUNDATION" for these gifts has yet to be developed! Also due to lack of understanding more people than not mislabel, run away from the ability or take it to strange descriptions... It is this very FEAR of ourselves and our OWN "abilities" that has been the wall too many encounter and shy away from. This ability also invokes RAPID response from the Universe regarding our petitions and that can also be extremely terrifying and the mind MUST be "REIGNED IN" for this very reason!!!!

I can NOT emphasize that ENOUGH! Unto whom much is "given, MUCH is expected." Thus saith the Scripture, (Luke 12:48). HOWEVER, to NOT operate in this level of gifts is the same as a form of rebellion against them, which we WILL account for, if we have this knowledge and WILLFULLY turn away! It is NOT for "us" that these gifts operate ANYWAY, it is for the SERVICE of OTHERS!

How can one SEE the "fish" to catch if we choose to remain blind?

Opening this gate is necessary, IF we are to walk in the manner of which He would WANT us to!

I will close this installment here, much food for thought already....

Highest Regards and Much Love,

Kevin
