

New Plants List 2021

Annuals

Ageratum *Aloha Blue*

A replacement for Blue Hawaii, the fluffy puffs of lavender-blue flowers are densely clustered on these dwarf, uniform plants.

Begonia *Double Delight Blush Rose*

This new variety of Begonia offers a light fragrance and an abundance of double flowers making it, an ideal hanging basket plant.

Begonia *Nightlife Series, Sprint Plus Series*

The Nightlife Series replaces the Sweetheart Series of Begonia. The Nightlife Begonias have the darkest bronze foliage of any Begonia on the market. The Sprint Plus Series replaces the Valentine Series, offering the same great green foliage but with the added benefit of earlier blooming and better uniformity.

Begonia *Red Escargot*

A wonderful new companion to the beloved traditional Escargot.

Begonia *Nonstop Fire*

A new color addition to our lineup of Nonstop Begonias. Nonstop Fire features huge double flowers of gold and orange.

Calibrachoa *Superbells Coral Sun*

A new addition to our Proven Winners Calibrachoa collection. Add a warm, tropical glow to your hanging baskets and combos with these bicolor blossoms.

Canna *Pretoria, Stuttgart*

Bring a sensational tropical accent to your garden with these Canna Lilies. Pretoria features green foliage with yellow striped veins and large orange flowers. The highlight of the Stuttgart are the bold, green and white variegated leaves with smaller peachy flowers.

Coleus *Le Freak*

Le Freak will be the new replacement for the Pineapple Splash Coleus. The growth pattern and size of this new variety is very similar to the Pineapple Splash. Use this variety in sun, shade, containers, landscapes or even indoors!

Croton *Petra*

A resilient houseplant to add to our Tropical Collection. Crotons provide an exquisite visual interest with its colorful variegation.

Senecio *Angel Wings*

This striking new plant features large, broad, silvery white, velvety leaves. Use it as a focal point in the garden, as a great contrast of color and texture in mixed plantings or to provide drama on its own.

Zinnia *Profusion Double Deep Salmon, Profusion Lemon*

Profusion Double Deep Salmon is the replacement for Profusion Apricot, offering a similar peachy color but with double blooms. Profusion Lemon is a new color to add to our collection, featuring lemon yellow flowers.

Perennials

Arenaria *Blizzard Compact*

The perfect replacement for the discontinued Arenaria 'Avalanche'. Blizzard Compact features vibrant white flowers with dense branching that creates a cloud of color.

Baptisia *Lemon Meringue, Plum Rosy*

Lemon Meringue is a vigorous, upright hybrid that produces an excellent display of bright yellow flowers. Plum Rosy is a beautiful bicolor Baptisia opening a mauve color and fading to white as they age.

New Plants List 2021

Calamintha *nepeta*

2021 Perennial Plant Association Plant of the Year. This sun loving perennial blooms from early summer until frost and is perfect for attracting pollinators.

Clematis *Arabella, Bee's Jubilee, Elsa Spath, Rouge Cardinal*

Arabella is a non-vining Clematis that opens violet-blue then develops mauve-colored centers and fades to soft blue as it ages. Bee's Jubilee is a compact and very showy large flowering variety. Elsa Spath produces a profusion of blue flowers with lavender tones. Rouge Cardinal is a replacement for the variety Nubia. Also featuring beautiful red flowers, Rouge Cardinal is a vigorous, large flowering variety with velvety crimson red flowers.

Delosperma *Jewel of Desert Peridot*

Adding another color to the Jewel of Desert Ice Plants. Jewel of Desert Peridot is a vigorous mat-forming succulent with a profusion of bright yellow flowers.

Echinacea *Sombrero Tres Amigos*

Tres Amigos gets its name from its stunning display of three different colors at any given time. The blossoms begin a peachy-coral tone which deepens to a rose color and then ages to a classic Echinacea pink.

Gaillardia *SpinTop Copper Sun, SpinTop Red Starburst*

The SpinTop series features uniform and well branched varieties. Copper Sun offers unique fluted copper-orange petals with yellow tips. Red Starburst has bright yellow blooms with a large red eye.

Grass *Hakonechloa All Gold*

Another addition to our Japanese Forest Grasses. All Gold has a more solid golden color than the Aureola. The foliage tends to be more chartreuse in shade and more gold when given more sun.

Helleborus *Ice and Roses Picotee, Ice and Roses White*

Ice and Roses Picotee has charming white blooms, rimmed in pink. This unusual flower color delights the eye from December into spring. The large creamy white flowers of Ice and Roses White turn greenish as they fade. They display a wealth of blooms from December into April.

Hemerocallis *Rock Solid*

Light mauve flowers with a wide, dark purple eye and a matching dark purple picotee edge. This variety is an early midseason bloomer, starting to bloom in early July.

Heuchera *Little Cutie Blondie*

This Coral Bells is a pint-sized cutie, at just 8" tall and 8" wide. Featuring caramel colored foliage and ever present creamy yellow flower spikes, this variety is a blooming machine.

Iberis *Snowsation*

Replacing our Snowdrift variety. This new variety was bred to begin blooming a week or two earlier than most other varieties but last just as long.

Kirengeshoma *palmata*

Large shade-loving herbaceous perennial, that offers a shrub-like habit and pale yellow flowers in late summer to early fall.

Kniphofia *Jackpot*

Jackpot is the replacement for Fire Dance. Bright reddish orange flowers open yellow for a bicolor effect. After the first flush of flowers, this Kniphofia will continue to rebloom with new flower spikes, staying in bloom for most of the summer.

Lamium *Herman's Pride*

Small golden yellow flowers in summer over the silver marbled leaves.

New Plants List 2021

Lonicera

Scentsation

This Honeysuckle is extremely fragrant with yellow flowers from mid-spring to late summer, followed by bright red berries.

Nepeta

Cat's Pajamas

An improved Catmint, this petite variety flaunts countless lavender flowers from soil line to tips. Long blooming and blooms 2-3 weeks earlier than classic varieties.

Persicaria

polymorpha

Shrubby, clump-forming perennial featuring plumes of creamy white flowers. Blooms throughout the summer atop leafy stems typically rising 3-5' tall.

Primula

Amethyst Ice

Violet blue double blossoms with a white edge. Perfect for spring containers.

Rudbeckia

American Goldrush

A Black-Eyed Susan that's resistant to the Septoria leaf spot. This powerhouse produces masses of blossoms from summer into fall.

Saxifraga

Lofty Pink Shades

A beautiful substitute for 'Rocco Red'. Lofty Pink Shades offers an assortment of different shades of pink.

Sedum

Fire Cracker

This brilliant burgundy red sedum will bloom in late summer with soft pink flowers.

Sempervivum

Coral Red, Pacific Blue Ice

Coral Red retains its fiery red rosettes of foliage throughout the year, making this a fabulous succulent for drawing the eye. Pacific Blue Ice features icy blue-green leaves that become flushed with a rose color as the weather cools.

Veronica

Bubblegum Candles

A great addition to the Veronica assortment. This variety features deep pink flowers in early summer.

Nursery

Azalea

Girard's Crimson

This Azalea features large crimson flowers on a compact plant, that has large glossy green leaves.

Picea abies

Cupressina

Elegant, narrow form of the Norway Spruce.

Plum

Blue Damson

Rugged and dependable, self-fruitful Plum that make amazing jam.

Rose

Crazy Love, Purple Pavement, Secret's Out

Crazy Love features large clusters of multicolored blooms, in colors of copper, orange, yellow and pink. Purple Pavement is a fragrant Rugosa Rose that is cold tolerant and pest resistant. Secret's Out offers pure white flowers with a strong spicy fragrance.
