SCHOLARSHIP SELECTION PROCESS**Advance Review Instructions****APPLICATION EVALUATION FORM:**

Application Evaluation Forms are provided, including a separate form for each student. Please review and rate each applicant, using the form, prior to the meeting. Space has been provided for any comments or observations you wish to record to help in later selection or as a quick reminder of your impressions. This is a vital step that will make the committee selection meeting smoother.

SELECTION ORDER FOR REVIEW:

1. Read and individually evaluate each scholarship.
2. Using the "Scholarship Evaluation Form", make tentative rank order lists first for scholarship. This will then eliminate some names from consideration for broader areas. Remember, this is only preliminary. You may change these during the Committee meeting, but it will provide a good starting point. It is important to do this prior to the meeting.
3. Make tentative selections for the scholarships, keeping the criteria and preferences in mind.
4. Meet with the Scholarship Review Committee at the designated time to determine selections. You will serve as an advocate for your set of applications during the meeting.
5. The Scholarship Review Committee along with the Sport Coach shall provide the final ranking for awarding scholarships; the Sport Coach shall control majority scoring. The ranking order shall list first down, if for any reason the scholarship designee is unable to receive the scholarship; the scholarship shall be awarded to the next in the final ranking.
6. No senior parent will serve on the scholarship selection committee. The committee shall consist of an odd number of committee members.
7. The Sport coach will turn all applications to the Executive Board President.
