BIG RED

HD Cleaner/Degreaser

DESCRIPTION:

BIG RED is a concentrated multi-purpose liquid alkaline detergent for use in manual applications, pressure washing, steam cleaning and automatic scrubbing equipment. **BIG RED** is very effective in removing grease, oil, and imbedded soils from floors, walls, and equipment without harming most water washable surfaces. **BIG RED** is ideally suited for use in food processing, automotive, aircraft, marine, and trucking industries as well as in metal working plants of all types. **BIG RED** works quickly to lift grease and oil and holds it in solution so it can easily be picked up or hosed off. It cuts soils from metals and alloys while it temporarily protects against damage from rust or corrosion. It rapidly removes wax, inks, soot, creosote, dyes, and other stains from metals, concrete, plastic, rubber, and other surfaces. While **BIG RED** is safe to use on most surfaces, care should be taken when using on painted surfaces. **BIG RED** is very effective in removing grease from equipment and floors in meat cutting operations, cleaning restaurant kitchen floors, and removing soap scum from shower stalls. Excellent for cleaning water and soy-based inks off printers, rollers, dies & machines.

DIRECTIONS:

Use undiluted to 1-100 with water depending on surface being cleaned, soil load, contact time, temperature, method of application, and cleaning equipment being used.

LIGHT SOILS.....	Use 1 to 60 with water
MEDIUM SOILS.....	Use 1 to 30 with water
HEAVY SOILS.....	Use 1 to 10 with water
EXTRA HEAVY SOILS.....	Use 1 to 1 with water

TECHNICAL DATA:

pH CONCENTRATE.....	12.5
VISCOSITY.....	THIN LIQUID
COLOR.....	PINK
FOAM PROPERTIES.....	MODERATE
SURFACTANTS.....	NON-IONIC
ODOR.....	SOLVENT
DENSITY (LBS/GAL).....	8.4

NOTE: CONTAINS LESS THAN 1% PHOSPHATES IN FULL CONCENTRATION

PACKAGING:

Available in 250 gallon totes, 55 gallon drums, 5 gallon pails and 4 gallon cases.

PRODUCT CODE:.....BIG01
