## CHERRY SHINE

### PREMIUM HIGH SUDS CARWASH

#### DESCRIPTION:

#### **PHOSPHATE FREE**

CHERRY SHINE is formulated to safely remove accumulations of road grime, insect stains, oil and traffic film, mud, exhaust film and salt residues on over the road trucks as well as expensive automobile finishes. CHERRY SHINE safely and thoroughly cleans glass, chrome, rubber, metal, aluminum and painted surfaces. It is harmless to windshields and door moldings. It rinses clean without spotting or streaking. Air dry vehicles out of the sunlight, to be free of spots or streaks without hand wiping. CHERRY SHINE guards against deterioration of clear coats and painted surfaces due to corrosive effects of exhaust film and salt. CHERRY SHINE'S concentrated formulation contains wetting agents, detergents and water conditioners for fast penetration and breakup of accumulated soils and grime. It disperses instantly in hot or cold, soft or hard water. CHERRY SHINE does not corrode or plug up equipment and contains no harmful alkalis or solvents. CHERRY SCENTED!
