GRILL MAGIC

WORKS QUICKLY ON HOT GRILLS
SAFE.....WILL NOT SPLATTER
SAVES TIME.....NO SHUT DOWNS NEEDED
NO FUMES!.....LEAVES NO RESIDUE
REMOVES BUILT-UP GREASE & CARBON

GRILL MAGIC is specially formulated for the quick & easy removal of baked on carbon deposits & grease from all grill surfaces without dangerous splattering or toxic fumes associated with most conventional cleaners. This cleaner shines stainless steel to look like new! ***GRILL MAGIC*** is also effective for removing grease and carbon buildups from hot ovens, cooking utensils, outdoor barbeques, deep fat fryers and hoods. Do not allow the cleaner to remain on asphalt tiles, painted surfaces or aluminum pans. ***GRILL MAGIC*** may also be used to wipe up slippery grease from kitchen floors, stainless steel tables and counters, and walls.

DIRECTIONS:

1. Grill temperature should be 325 -425 F
2. Starting from the back of grill spray or pour 3 to 4 oz. over the grill surface.
3. Using a spatula, spread ***GRILL MAGIC*** over heavily carbonized areas, work into the grill with a short, stiffscraper (works in less than 1 minute), then scrape into front well.
4. Reactivate ***GRILL MAGIC*** with one cup of water working with spatula as in step 3.
5. Wipe to a clean sparkling grill with a towel soaked in water.
6. Season grill with any vegetable oil and return surface to service.

For hot ovens - Simply spray on and wipe with a damp cloth.

DANGER: Wear protective gloves and eye protection. Harmful or fatal if swallowed. May cause skin burns.
