## OLD YELLER

### EXTRA HEAVY DUTY DEGREASER

#### DESCRIPTION:

A heavy duty, industrial strength degreaser using a combination of detergents and wetting agents to make an excellent equipment and floor cleaner. Applied with a steam cleaner, pressure washer, bucket and brush or floor scrubber OLD YELLER HF removes greases, oil and grime from equipment, vehicles, marine vessels and concrete surfaces. **Detail Shops** love it for engine degreasing, door jams, tires and wheels. It contains no free alkali and leaves no harmful deposits.

#### USDA APPROVED

**DIRECTIONS:** *Works effectively with hot or cold, hard or soft water. Safe on ferrous & non-ferrous metals. The following are suggested rates of dilution. May vary depending on application.*

Use undiluted to 1-100 with water depending on surface being cleaned, soil load, contact time, temperature, method of application, and cleaning equipment being used.
