INDUSTRIAL RESEARCH PRODUCTS offers

SNOW AND ICE MELTER #ICE001

Available in a 35 pound plastic pail, which is both reusable and waterproof.

Providing a container that is economical and easily stored.

Also maintaining a product that will be dry and usable until the next time you need it.

SNOW AND ICE MELTER #ICE001 incorporates three different types of deicers:

Calcium Chloride, Sodium Chloride and Urea

The calcium chloride and sodium chloride combines to activate the urea, which gives our ice melt instant action once spread. The small long-lasting crystals provide steady traction for feet on sidewalks and stairs. This formula does not stain floors or carpets!

Special Pricing: Introductory Offer...
