In case of emergency, I give the teachers of PLS preschool permission to treat me child including transporting them to the nearest urgent care facility.

Signature: _____ Date: _____

GO EXL ACADEMY and Permanent Learning Solutions, LLC

Disclosure:

Permanent Learning Solutions Preschool offers a unique approach to early childhood education. Our teachers are trained in Neurological-Physical Connection Therapy (NPCT), focusing on how the brain processes information. They are skilled in identifying potential learning difficulties early on. The curriculum includes physical and mental exercises, incorporating NPCT techniques. If a learning issue is detected, parents are informed and provided with at-home exercises for their child. The aim is to promote effective learning during the child's development.

Other ways we are different: We begin each day with the Pledge of Allegiance, our National Anthem and prayer. Each child will have the opportunity to lead the Pledge and Anthem, while prayer is voluntary. We welcome all denominations. If you have a specific way of offering prayer, please inform us; otherwise, we will proceed with the standard practice.

We aim to prevent learning problems before they start and provide the best education. We request your consent to track your child's academic progress through third grade.

By signing below, you commit to helping us track your child's educational experience. By so doing, if we see signs of a learning problem, we promise to provide solutions to these problems with the use of Neurological-Physical Connections Therapy. (*Additional fees may apply*)

I give permission for those at Permanent Learning Solutions, LLC to track my child's progress through the third grade. I promise to provide them with grades as well as teacher contact information. Furthermore, I give permission for Permanent Learning Solutions, LLC to speak with my child's teacher concerning their progress.

Name: _____ Date: _____

GO EXL ACADEMY and Permanent Learning Solutions, LLC
