NOTE: I have chosen to go with **the individual book price** rather than the student kits. History, Art, Science, Health, Music and Physical Education are subjects that are taught as an entire group and not split into ages therefore we are using alternative methods.

This year, we will be studying American History, so I have included the history books for students whose curriculum includes American History.

Curriculum has been ordered. I need to be reimbursed for this as soon as possible. **Please pay with Venmo (@KaeLyne-PLS), Zelle (American First Credit Union), Cash or Check payable to GO EXL, INC.**

I am looking forward to a wonderful year. Please spread the word.... We do have a few spots available.
