

**American Legion Auxiliary – Department of Arizona
Chaplain's Bulletin – October 2026**

The crisp autumn air brings a welcome change to our Arizona weather and landscape. Smiles appear all over the state as the summer weather is coming to an end. The leaves change colors and fall from their branches. As the season changes let us remember not to fall back on our prayers as they are an important part of our daily lives.

In your own faith encouraging words are often, prayed and/or said for our families, our friends, our veterans and their families, active duty service men and women and their families, the families of our service members that have paid the ultimate sacrifice for our country, our service members who have not returned, and our community, state and nation.

Chaplains you play an important role in helping our American Legion family navigate the ups and downs of their lives. Lending a hand, a shoulder to catch the tears, kind words, a much needed hug, warm thoughts in a card or letter, and so much more. Thank you for all that you do for the American Legion Auxiliary, the American Legion Family, our community, and our state.

Gentle Reminder: Chaplain duties include compiling information for year-end reporting. Report forms can be found on the aladeptaz.org website. The form is used to track the years activities by all Unit, District, and Department Chaplains.
