Policy Statement

It is the policy of the American Legion Auxiliary Department of Arizona (ALA), a public benefit 501(c)(19) not-for-profit Veterans Service Organization, National Headquarters, Indianapolis, Indiana, and Department Headquarters, Phoenix, Arizona, to protect the American Legion Auxiliary's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of Department Officers, Executive Committee members, program chairmen and committee members, volunteers and staff members, or that might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Policy Definitions

Interested Person: An interested person is any Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member who has a direct or indirect financial interest, as defined below.

Financial Interest: A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the ALA has a transaction or arrangement,
- b. A compensation arrangement with the ALA or with any entity or individual with which the ALA has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the ALA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. Under the American Legion Auxiliary Department of Arizona Conflict of Interest Procedures, a person with a financial interest may have a conflict of interest only if the Executive Committee so determines.

Policies

1. Records of Proceedings

The minutes of the Executive Committee shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the committee's decision as to whether a conflict of interest in fact exists.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

2. Compensation

A voting member of the Executive Committee who receives compensation, directly or indirectly, from the ALA for services is precluded from voting on matters pertaining to that member's compensation.

A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the ALA for services is precluded from voting on matters pertaining to that member's compensation.

No voting member of the Executive committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the ALA, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

3. Annual Statements

Each Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understood the policy,
- c. Has agreed to comply with the policy, and
- d. Has understood that the ALA is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

4. Periodic Reviews

To ensure the ALA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the ALA's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

5. Use of External Expertise

When conducting the periodic reviews as provided for in Section 4, the ALA may consult or engage persons or businesses with professional expertise. Use of external expertise does not relieve the Executive Committee of its responsibility for ensuring said periodic reviews are conducted.

**AMERICAN LEGION AUXILIARY DEPARTMENT OF ARIZONA
CONFLICT OF INTEREST COMPLIANCE STATEMENT**

It is the policy of the American Legion Auxiliary that no Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member shall gain financially from any decision or matter brought before the organization.

It is the policy of the American Legion Auxiliary that all Department Officers, Executive Committee members, program chairmen or committee members, volunteers or staff members shall disclose and avoid any conflict of interest pertaining to any decision or matter brought before the organization in which a member of his or her immediate family has an interest, financial or otherwise.

It is the policy of the American Legion Auxiliary that no Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member shall utilize his or her position with the American Legion Auxiliary to disclose donor or financial information or any decision or matter brought before the organization which causes another civic, charitable, or not-for-profit organization to which the member, officer or staff member has an employment or leadership relationship to gain financially.

No Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member may participate in any discussion of any matter before the organization when such matter would result in a conflict of interest or financial gain or loss to the Department Officer, Executive Committee member, program chairman or committee member, volunteer or staff member; to a member of his or her immediate family; or to another civic, charitable, or not-for-profit organization to which the member, officer or staff member has an employment or leadership relationship. Such matters would include, but not be limited to, contracts to furnish goods and services, lease or purchase agreements of real or personal property, solicitation of donations, or such like matters which would result in conflict of interest or a financial gain or loss.

Upon learning that a matter before the organization would create a conflict of interest, the member must make a full disclosure of his or her interest in such matter to the Executive Committee, and the member shall not further participate in any discussion of or decision on such matter. The failure of a member to make a disclosure as described in this policy may result in the voidance of such agreement, contract, lease or matter at the discretion of the Executive Committee, and may result in removal action for the member.

For purposes of this policy, the term "immediate family" shall mean the spouse, child(ren), grandchild(ren), and the brothers, sisters, parents, grandparents, nieces or nephews of a member, or the spouses of any immediate family member.

I have read and understand this Conflict of Interest Policy Statement and will comply with each point as stated herein. I will complete the Conflict of Interest Disclosure Form as appropriate.

The Districts shall be divided into Units, the division of Units to conform to the Posts of The American Legion, if at all possible.

UNITS

The smallest administrative unit of the American Legion Auxiliary of the Department shall be termed a "Unit", which shall have a minimum membership of ten paid senior members. No Unit shall be received into this organization until it shall have applied for a Charter. A Unit desiring a Charter shall apply to the Auxiliary Department Headquarters, and upon completion of all organizational requirements the Charter will be issued by the National President and National Secretary whenever recommended by the Department President or Chairman of the Department Executive Committee, and shall be countersigned by the Department Executive Director of Operations. The minimum number of members to charter a new unit shall be ten (10) senior members, with the exception of a Department Headquarters Unit that shall have no minimum membership requirements. (23)

The Officers of the Unit shall be President, one or more Vice Presidents, Secretary, Treasurer, or Secretary-Treasurer, Historian, Chaplain, Sergeant-at-Arms, and such other officers as may from time to time be authorized.

Each Unit shall be the judge of its own membership, subject to the restrictions of the Constitution and Bylaws, except that no person who is a member of an organization which has for its aim the overthrow of the United States Government by force of violence, or who subscribes to the principles of any group opposed to our form of government, shall be eligible to become or remain a member of the American Legion Auxiliary.

All officers of the Unit shall be elected annually except Secretary, who may be appointed by the President.

All Units shall initially accept and sign a Constitution and Bylaws based on the example in the Unit Guidebook, before the initiation and installation of their first set of officers. (2010) It shall not conflict with that of National or Department.

Any member in good standing wishing to transfer to another Unit must present to the new Unit their current membership card. Upon acceptance of the transfer by the new Unit, the Unit Officer will complete the transfer section on the Member Data Form. The new Unit Officer and member must sign and date the Member Data Form to be valid. The member shall then be entitled to active membership in said Unit. No dues shall be transferred. (2006)

A member transferring shall be entitled to voting membership in the Unit to which the member transfers until the expiration of paid up dues.

The yearly dues of each Unit shall be left to the discretion of said Unit.

The non-functioning of the Legion Post does not cancel the Auxiliary attached thereto.

When a Unit ceases to function, or its charter has been revoked or canceled, the charter and all Unit records and funds shall be immediately forwarded to the Department Auxiliary Headquarters.

THE NATIONAL JUDGE ADVOCATE HAS RULED THAT A POST HAS NO POWER TO REGULATE A UNIT, NOR A DEPARTMENT OF THE LEGION TO REGULATE A DEPARTMENT OF THE AUXILIARY.

DISTRICTS

The District shall elect annually a District President and District Vice President, not from the same Unit. These two elected officers shall remain in different Units during the time that they serve together. (2015) These officers shall be elected at the annual spring meeting and shall be installed at the last District meeting as District Officers. The District Presidents shall be installed as members of the Department Executive Committee at the close of the Annual Department Convention. (80)

The District shall hold at least four official meetings a year to coincide with The American Legion District, if feasible. Any District President not holding the required four official meetings per year shall be prohibited from receiving Department funds for the annual Convention. (81)

Each Unit shall have one undivided vote, said vote to be cast by the Unit President or representative of the Unit. Delegates from 1/3 of the Units within the District shall constitute a quorum at the official District meetings.

A copy of the minutes of each District meeting shall be sent to the Department President and copy sent to the Department Executive Director of Operations no later than ten days following said meetings. (89)

DISTRICT OFFICERS

The District shall elect annually a District President and one District Vice President, not from the same Unit.

The Vice President shall succeed to a vacancy in the office of President between elections. It shall be mandatory that the candidates nominated be present at said meeting, unless for good and sufficient reason the candidate is unable to be present and has expressed in writing their willingness to serve as an officer.

The District Secretary-Treasurer, or separate District Secretary and District Treasurer in accordance with the District's Bylaws, shall be appointed by the District President, subject to the approval of the District Executive Committee.

The Past National Presidents and Past Department Presidents described immediately above are considered toward determination of the quorum. No member shall have more than one vote.

The use of an absentee vote is in conflict with the idea of equality of members, which is one of our fundamental principles; therefore, no member of the Executive Committee shall vote at a regularly convened meeting of the Executive Committee, except in person. (2016)

The Department Executive Committee shall have power and authority in case of an emergency to call a Department Convention, provided that notice of at least thirty days prior thereto shall be given all Units thereof and reason stated for calling the Convention. All unit records and funds shall immediately be forwarded to the Department Executive Director of Operations.

Upon failure to surrender such Charter, immediate steps may be taken by the Department Executive Committee for the revocation of same.

The cancellation of a Unit Charter shall be in order where two or more Units merge, where a Unit ceases to function, or such other conditions as might make such action necessary within a Department. In the event a Unit Charter is canceled without the consent of such Unit, it shall have the right to appeal to the National Executive Committee under the rules as herein prescribed.

When a Unit Charter has been canceled three times, very serious consideration should be given by the Department Executive Committee to the matter of organizing the Unit again.

After a Unit's Charter has been canceled or revoked, a period of three years shall elapse before a new Charter Application can be submitted. (87)

DEPARTMENT CONVENTION

The Legislative body of the American Legion Auxiliary shall be the Department Convention to be held annually at the same time and place as The American Legion.

A Department Convention shall be called for the purpose of election of Officers, amending the Constitution and Bylaws, receiving reports of Officers and Chairmen, and the transaction of such other business as may come before it.

There will be an accurate, detailed, and permanent record kept in writing of all resolutions presented to the Department of Arizona for consideration whether or not they are approved by Committee, and of all Resolutions or Chairmen's Recommendations upon which Department Convention Delegates vote, and the outcome of those votes. (2005)

The Department of Arizona American Legion Auxiliary Convention has become a Department function and the responsibility of said Convention shall lie with the Department Executive Committee.

Expenses for attendance of the Department Executive Committee, the Department Parliamentarian, and the Department Honorary Jr. President shall be from funds budgeted for that purpose. No person may be reimbursed more than once for attendance, even if they hold multiple positions authorized for reimbursement, and they must attend all sessions. (2011)

Each Unit shall be entitled to the number of delegates and alternates as prescribed by the Department Constitution and Bylaws.

Units not having their current District, Department and National Mandates paid thirty days prior to Department Convention shall not be entitled to vote.

Each delegate shall be entitled to one vote. The vote of any delegate absent and not represented shall be cast by the majority of the delegates present from their Unit, each Unit voting its full strength. No Unit unrepresented shall cast a vote by proxy.

Each member of the Department Executive Committee shall be an ex-officio delegate to the Department Convention with full voting power. The Department Executive Director of Operations does not have an individual vote. (2000)(2006)

All Arizona Past Department Presidents in good standing in an Arizona Unit shall be life delegates to the Arizona Department Convention with vote.

A quorum of the Department Convention shall consist of the elected delegates or alternates of fifty-one percent of the Units in the Department.

Units are not allowed to sell tickets for raffles, etc., unless such Unit has the permission of the Department Finance Committee in writing to do so.

The Department Convention Chairman shall be appointed by the Department President. (See Conference & Convention Committee section in this book for more information.)

RESOLUTIONS (2006) (2013)

One “hard” copy, signed by at least two (2) qualified delegates, and an unsigned “soft or electronic” copy of all resolutions are to be forwarded to the Department Executive Director of Operations before Convention if possible. Resolutions originating at Convention need to be written as a “hard” copy with two delegate signatures, and a “soft or electronic” copy forwarded to the Department Executive Director of Operations as soon as possible so that discussion and vote may take place. (2013) Resolutions presented by the vote of the Unit must be presented thirty days prior to the Department Convention.

All resolutions are submitted to the Department Executive Director of Operations, who in turn sends them to the Resolutions Chairman and Committee. The three-member Resolutions Committee appointed by the Department President shall receive all resolutions, study, number them in logical sequence, eliminate duplication by combining, if necessary, making certain they are in correct form and refer them to the proper committee(s) for action. Input on the numbering and screening process will be provided by the Department Executive Director of Operations and the Department Constitution and Bylaws Chairman.

Resolutions pertaining to Finance must be presented to the Finance Committee for their consideration; resolutions pertaining to Policy must be presented to the Department Executive Committee; and resolutions pertaining to the Constitution and Bylaws to the Department Constitution and Bylaws Committee before presentation to the Convention Body.

Resolutions requiring changes to the Department Constitution and Bylaws will be presented to the Convention Body by the Resolutions Committee and the Constitution and Bylaws Chairman, as they require two readings.

Resolutions involving only Policy and Procedure will be presented at the time of the appropriate Committee Report.

In the Department, with the exception of a few committees, only one person is appointed, therefore, it is unfair for that one person (the respective chairman) to have to decide the fate of a resolution or for a committee of three appointed to decide the outcome, therefore, all properly executed resolutions are presented, with the respective chairman’s comments.

FALL CONFERENCE and DEPARTMENT EXECUTIVE COMMITTEE MEETING

All references in this document to Conference, Fall Conference, Department Conference, Department Fall Conference refer to the combined Fall Conference and Department Executive Committee Meeting. (2004)

The Department Officers and Chairmen will annually set a uniform due date for submission of Department Reports and Award submissions at the Officers and Chairmen meeting at the beginning of the new program year. (2018)

NATIONAL CONVENTION

The Department shall be entitled to the number of delegates and alternates as specified by the National Organization. The membership of the Department determines the number of delegates.

The retiring (outgoing) Department President, Department President Elect, Department Executive Director of Operations, any National Officer and any member having a National Chairmanship shall automatically be a delegate to the National Convention. Members of the National Executive Committee shall be delegates at large with vote to be exercised with their Department.

The Department Finance Committee shall include in its annual budget provision for the expense to the National Convention held following the Department Convention as follows: The outgoing Department President to receive airfare, ground transportation and receive their room paid in full while in attendance at the National Convention as well as all special functions now called for in the Constitution and Bylaws, Policy/Procedure Manual of the Department of Arizona. The outgoing Department President will discontinue receiving per diem and any and all extra room charges for food, phone, or repairs will be the responsibility of the outgoing Department President. (2002) The incoming President shall receive airfare, ground transportation plus per diem while in attendance at the National Convention. The Department Executive Director of Operations shall receive airfare, ground transportation and room paid in full while in attendance at the National Convention. (2004)

The retiring Department President shall serve as Chairman of the National Convention arrangements and Chairman of the delegation. The Delegation Chairman will appoint two National Convention Pages and the Secretary of the delegation (*this usually being the Department Executive Director of Operations*).

Should a delegate, paid or unpaid, fail to attend the National Convention, the delegates in attendance shall elect a replacement delegate from the alternates in attendance. (89)

National Pre-Convention meetings are now held virtually in the month prior to the actual event. The outgoing Department President assigns the outgoing Department Chairmen to attend the virtual meeting of their program as Arizona's representative. The outgoing Chairmen are then to write a report of the meeting to submit to the Outgoing Department President. Any Auxiliary member interested is welcome to view these virtual meetings. The Department Executive Director of Operations also views the virtual meetings serving as an alternate Department representative if needed. The National award winners are announced during the virtual meetings. Awards are then shipped to the Department (not picked up at National Convention).

A member of the American Legion Auxiliary can go to the National Convention as a PAID DELEGATE ONLY ONCE.

It is not required that all elected delegates be housed at Department Headquarters, but it shall be the obligation of all delegates to inform the Delegation Chairman where they are being housed, the address and telephone number. All delegates shall make themselves available to the Delegation Chairman so they may be contacted by the delegation. If delegates are housed at Department Headquarters, arrangements must be made through the Department Adjutant of The American Legion.

Each delegate MUST send a written report of the meetings they attend to the Department President, and one copy to the Department Executive Director of Operations for the files. It is asked that the alternates also make these reports. These reports are due to the Department Executive Director of Operations within thirty days after the National Convention.

Delegates are encouraged to attend the States Dinner, the ALA Luncheon recognizing Unit Members of the Year, and the receptions for the National Officers.

It is the responsibility of the Secretary of the Delegation to pick up registration packets, and any luncheon or dinner tickets ordered. All guest registration for the Auxiliary must be made through the Department Adjutant. The National Treasurer may not register guests. (84)

The Secretary of the Delegation will see that the courtesies are taken care of as allowed by the Department Finance Committee in the budget. The registration fee of the delegates will be taken care of by the Department Executive Director of Operations from funds budgeted for National Convention.

The alternates must pay their own registration fee to the Department Executive Director of Operations.

FINANCE RULES FOR NATIONAL CONVENTION

The number of paid delegates depends on the amount received in the delegates' fund and the location of the convention. The delegate fund shall be divided equally among the number of paid delegates. Delegates must attend all sessions and all meetings of the Pre-Convention Committee meetings assigned by the Delegation Chairman.

All persons receiving money for this purpose from the Department for whole or partial expense to National Convention, Conference or for other meetings must attend all sessions. Any delegate wishing to be absent from any meeting must make a written request to the Department Chairman of the Delegation, stating their reasons. Any delegate absent

without permission of the Chairman will be asked to return the money given them by the Department.

Any person receiving money from the American Legion Auxiliary Department of Arizona, shall represent that organization ONLY during the National Convention.

A refund of the money paid to them will be required of any delegate who does not adhere to these rules. (Also see National Convention Procedures section in this book.)

DEPARTMENT COMMITTEE CHAIRMEN – GENERAL RULES

No person shall hold two chairmanships, and should not serve on more than two committees. All Department Chairmen planning a “Special Program” must have the approval of the Department President. Should this “Special Program” entail fund raising or expenditure of funds, it must have the approval of the Department Finance Committee as well.

There are no funds available for expenses for the Department Chairmen unless approved by the Department Finance Committee. Programs requiring expenditure of funds must obtain approval from the Department Finance Committee.

Resolved: That the mileage and lodging expenses of the members of the New Units/UD&R Committee and the Leadership Committee be paid by the Department. (93)

The Chairmen of the New Units/UD&R and Leadership Committees shall call upon qualified members in the area of the Unit and/or Leadership Seminar to assist at no expense to the Department. Funds for mileage and/or motels are only to be used if absolutely no one is available.

The Department Finance Committee members are authorized to receive reimbursement for 5 required meetings each year, these being at Department Convention, Department Conference, at the Officers and Chairmen Meeting where the auditing of committee checking accounts is done, in January, and in April. No person may be reimbursed more than once for attendance at any meeting, even if they hold multiple positions authorized for reimbursement. All persons receiving reimbursement must attend all sessions of the scheduled meeting. (2011)

Any Department Chairman receiving approved funds must submit a written financial report to the Department Executive Director of Operations and Department Finance Chairman along with net proceeds following each event. (90)

All Department programs and activities shall be as outlined in the Unit Guidebook plus any additional programs of the respective chairmen provided they have the approval of the Department President who in turn will present the program to the Department Executive Committee and/or the Department Finance Committee.

Each Department Chairman should acquaint themselves with the duties entailed in their assigned program. The National website includes Committee specific resources and guidelines for reporting for every American Legion Auxiliary program. National Committees and Department Chairmen interact on social media and by virtual meetings during the year. Arizona Department Chairmen are encouraged to utilize all of these sources of information and help.

The Department Chairmen will include the programs of the National Chairmen as part of Arizona’s program. They will create an annual report form for that program to be posted on the Department website. This annual report form will be completed by the Units and submitted to the Department Chairman on the date agreed upon by the Officers and

Chairmen. It shall then be the responsibility of all Department Chairmen to submit reports to the National organization as requested based upon the Unit reports that they have received.

All Department Chairmen must have their bulletins and report forms to the Department Executive Director of Operations and/or the Department website manager on or before the date required for the bulletins to be available to the Units in a timely manner.

Each Department Chairman will provide a copy of the winning report at the Department Convention. (92)

Should a District President request a chairman to present their program at a District meeting, it is their responsibility to attend. If unable to attend at that time, a report must be sent to the District President for that meeting.

The final responsibility of an outgoing Chairman is to represent Arizona at the National Pre-Convention virtual meeting for their program and write a summary of the meeting for the outgoing Department President.

ADVISORY COMMITTEE

The two immediate Past Department Presidents, the Finance Chairman and two other Past Department Presidents, elected by the Executive Committee, plus all Arizona Past National Presidents shall constitute the Advisory Committee who shall advise the Department President on such matters as may be seen fit to bring to their attention for consideration.

Per the Office/Employee Manual, the Advisory Committee shall be the final authority on employee grievances unable to be resolved unless the magnitude of the original grievance requires the attention of the Department Executive Committee as the “Employer”.

AMERICANISM

The Chairman shall be responsible for the colors at Department Convention and Fall Conference, and for instruction of color bearers for both Joint and Auxiliary meetings.

The Chairman is encouraged to thoroughly read all correspondence and brochures received from National and encourage Unit participation in the National Essay Contest.

AUXILIARY EMERGENCY FUND

The purpose of the national Auxiliary Emergency Fund Committee is to raise funds for the Auxiliary Emergency Fund (AEF), to promote knowledge about the program, and to send information to members about the application process. The Auxiliary Emergency Fund was created to help members who have suffered a significant financial setback as the result of an act of nature or other personal crisis when no other source of aid is readily available.

Key Program Statements:

--The Auxiliary Emergency Fund (AEF) is a national grant assistance program that provides hardship and disaster emergency assistance to eligible members of the American Legion Auxiliary up to \$3,000 as the result of an act of nature or other personal crisis.

--DISASTER GRANT APPLICATION: Disaster funds may be awarded for damage to the interior/exterior of the vital livable portion of the member’s primary structure, contents and/or for essential emergency expenses after the disaster based on proper documentation provided.

--AEF HARDSHIP ASSISTANCE APPLICATION: Hardship funds may only be awarded for over/past due primary shelter expenses, basic household utilities and/or loss of income based on proper documentation provided.

--Members of the American Legion Auxiliary whose dues are current and who have maintained annual membership for three consecutive years (the current year in which the application is submitted and immediate past two years) and have not been awarded an AEF grant (disaster or hardship) in the previous twelve months are eligible to apply for a grant.
--Applications for disaster assistance must be received within three months of a disaster event. One grant (disaster or hardship) per grantee will be awarded within a 12-month period.

The applications can be found on the ALA website at **www.ALAforVeterans.org/AEF**. The applications on the National Organization's website are the only applications accepted for processing. Applications formerly available through ALA departments and units are no longer applicable.

Does an ALA unit have to approve the AEF application prior to submission?

In the past, this was the procedure, but it is no longer required. All eligible ALA members can complete the applicable AEF application from **www.ALAforVeterans.org/AEF**, provide the required documentation, and submit it directly to **www.ALAforVeterans.org/AEF**.

CAVALCADE OF MEMORIES COMMITTEE

In 2022 the National Organization discontinued the Cavalcade of Memories Program. The Department of Arizona has chosen to continue this program with a Chairman, Committee, and all current awards. Awards are based only on donations with no essays required.

The Department Cavalcade of Memories Committee shall be appointed each year by the Department President with the Department Executive Director of Operations serving as an ex-officio member. The committee shall accept appropriate items and articles for historical preservation and encourage units and members to support Department efforts in creating a well-planned and functional Cavalcade Area for the Auxiliary Headquarters Office. (2001)

The Department Finance Committee will provide funding in the yearly budget to maintain and support the efforts of the Cavalcade Committee.

All accepted items and memorabilia donated to the Department Cavalcade of Memories area shall be registered in Department records, and proper acknowledgements made to individual donors or Units. In the event that the Department of Arizona would no longer have a Headquarters Office with space for Cavalcade contribution, all such property will revert to donors, donor families, or Units. (92)

CHILDREN AND YOUTH COMMITTEE

The American Legion Auxiliary Children and Youth program started out as "Child Welfare" in 1931-1932 and was changed to Children and Youth in 1970-1971.

The purpose of the Children and Youth program is to work collaboratively with the American Legion to promote programs that protect, care for, and support children and youth, especially those of our military and veterans. There are two goals of the Committee: 1) The care and protection of children of Veterans and 2) Improved conditions for all children.

This American Legion Auxiliary program recognizes and rewards the positive actions of our children and youth with special awards bestowed to youth nominated by Units.

The Children and Youth and Veterans Affairs and Rehabilitation Committees should work together in the best interest of the family. The Children and Youth Chairman is the liaison to the Department of Arizona American Legion Children and Youth Committee.

The Chairman should be well informed about all of the public and private facilities established to help children of veterans in need. There are general welfare services, health services, and school services. All of these facilities need to be utilized at times.

The Child Welfare Foundation was formed by the American Legion in 1954 and renamed as The Child Well-Being Foundation in 2024. (CWF) provides grants to nonprofit organizations to address the physical, mental, emotional and spiritual needs of children across the nation. It does this by aiding progress in the field of child well-being through dissemination of knowledge about research, studies, surveys, projects, or by supporting programs and activities benefiting the well-being of children and youth.

The Department Finance Committee shall prepare the yearly Department budget. If they recommend that either Department dues or per capitas be raised to produce a viable budget, both the old and new amounts are to be included in the Budget Proposal along with the bottom-line difference it will make in Income vs. Expenses for the coming fiscal year. Following ratification of a Budget by the Department Executive Committee and the Convention Delegates, the Finance Committee supervises the expenditures of the funds under the approved Budget. (2004) In case of a financial emergency which cannot wait for a specially called or regularly convened meeting of the Executive Committee, the Department President has the privilege of having a vote of the Executive Committee by regular letter, by email, or by a combination of the two. Each member of the Executive Committee must be contacted and a “hard” copy of the response to the question is to be kept for the record. A written report of committee members’ votes will be given at the next ensuing Executive Committee meeting and the results recorded in the meeting minutes. Only one item of business may be handled in each communication. (2016)

In February 2024 the checks were for credits recorded by Department and unused prior to February 1, 2024. Starting in March 2024 checks will be processed once a month for the previous month’s transactions. Checks will NOT be processed in June, July, and August of any year, with September checks bringing all Units current once again. Checks will be processed via Wells Fargo and sent to the Unit mailing address on file at Department, so it is essential that each Unit’s mailing address be kept current. The check will be good for 90 days. If the Unit does not cash the check within 90 days, the bank will notify Department and the Unit will forfeit the money to Department.

If Department makes an error processing the first check, they will generate a second check to the Unit, but only if the Unit notifies Department of the problem within the 90 day period.

PLASTIC AND ELECTRONIC PAYMENTS (Finance)

The Department of Arizona acknowledges that debit card or electronic payments can be made from any level of the Department organization. The Department of Arizona still discourages the use of cards with a Line of Credit by Districts and Units.

The Department of Arizona may have a Credit Card with a line of credit attached to their main business checking account with proper oversight and safety procedures. The credit card will be stored securely at the Department office and used only by the Key Executives described previously in this policy.

Wherever included in the Department Ruling Documents “checks” or “payments” will be understood to include checks, debit cards, credit cards, and electronic payments when referring to Department Finances. (2025)

DISBURSAL OF FUNDS FROM DEPARTMENT BANKING ACCOUNTS (Finance)

This policy is designed to insure that any disbursement of funds from a Department bank account will be known to at least two different qualified persons.

Any debit card or electronic payment issued from the Department office accounts by a Signer/Payer will be documented in writing with Transaction IDs recorded and receipts or invoices attached. The Department Finance Chairman will review and validate all debit and electronic payments from the office accounts. If the Finance Chairman is the Signer/Payer then another Key Executive must validate the transaction.

Any credit card payment issued from the Department office by a Key Executive will be documented in writing with Transaction IDs recorded and receipts or invoices attached. The Department Finance Chairman will review and validate all credit card payments from the office account. If the Finance Chairman is the Payer on the transaction then another Key Executive must do the validation. (2025)

Any handwritten paper checks being issued from the Department office accounts must be signed by two separate Signers/Payers, and supporting documentation, receipts and invoices must be provided for review and audit.

There are many Department sub-accounts for use by Chairmen outside of the Department Office (gift shops, VAVS, state homes, Girls State). If funds are disbursed from the sub-accounts by debit card or electronic means, it must be documented with Transaction IDs, receipts or invoices attached, and will be monitored, reviewed, and validated by a separate Key Executive of the account.

If funds are disbursed from a sub-account by handwritten paper check, usually only one signature is required, but documentation must include receipts/invoices and be reviewed and validated by a separate Key Executive of the account.

Audits will be conducted by no less than 3 members of the Department Finance Committee.

If the persons involved do not comply with this audit or make alternative arrangements with the Finance Chairman, then they will receive a letter requesting that all items be produced within 10 days of the Officers and Chairmen meeting. If they still do not respond, and the person is a current Department Chairman, the Department President will go through the process of having the Chairman replaced for improper handling of funds. (2013)

Any debit cards and check books for sub-accounts will be presented with all other records at the time of the annual audit of the Department sub-accounts by the Finance Committee.

Audit and oversight of the Girls State accounts are addressed separately in this section. (2008)

MISCELLANEOUS DUTIES AND POLICIES (Finance)

Before any transfer of Reserve Funds to General Funds, the Department Executive Director of Operations must notify the Finance Chairman or their representative.

The Department mailing of information packets will be available by subscription to any member of the American Legion Auxiliary in good standing. The subscription amount is to be determined by the Department Finance Committee at whatever fee they deem fair, reasonable and equitable.

NO SOLICITATION SHALL BE MADE BY ANY OFFICER, CHAIRMAN, OR MEMBER OF THE AMERICAN LEGION AUXILIARY, payable to the Department or person making request, without written permission of the Department President and the Department Finance Committee. Anyone asking a solicitation must state in the written request that permission has been granted by the Department President and the Department Finance Committee.

The Finance Committee will establish and maintain a Department Property Inventory Ledger.

FINANCE CHAIRMAN (Finance)

The Department Finance Chairman has many responsibilities which shall be found on an Addendum Sheet filed in the Department Headquarters and in the Finance Committee Chairman's briefcase. (See Addendum #3 to Department Standing Rules.)

RESERVE FUND POLICY (2007) (2022)

The "Reserve Funds" are Capital Funds held in a long-term investment account to back the financial security of the Department of Arizona and do not include donations, i.e. donations are recorded and accounted for in the General Operational Checking Account and Girls State Checking Account.

On July 31, 2006, the Reserve Funds were reported as follows:

\$25,000.00 backing the Hoyal-Chilton Scholarship

\$10,000.00 backing the National Leadership Development Fund (2018)

\$100,000.00 backing Arizona Girls State

\$20,000.00 backing the Welfare Fund

\$56,252.00 (or the Balance) backing the General Fund

for a TOTAL of \$211,252.00.

The Department has a long-term goal of having an amount equal to two (2) year's General Expenses in the "Balance" portion of the Reserve Funds to back the General Fund. In 2021 dollars this would be a Balance of \$690,000.00 backing the General Fund and TOTAL projected Reserves of \$845,000.00. (2022)

The Department will strive to have balances in the General Operational Checking Account and the Girls State Checking Account which are sufficient to maintain cash flow for budgeted expenses and to prevent the need for transfers from the Reserve Funds for budgeted expenses.

There will be no transfer of funds from the Reserve Funds to the General Operational Account or Girls State Checking Account to cover budgeted expenses without the prior knowledge of the Finance Chairman and the Department President.

Non-budgeted expenditures requiring the use of the Reserve Funds are proposed by the Department Finance Committee, approved by the Department Executive Committee, and reported to the membership at the Annual Convention. Transfer of these non-budgeted amounts will not be made before Executive Committee approval is received.

In 2025 Convention delegates gave approval to the Finance Committee to research and implement diversification in how the Reserve Funds are invested within conservative limits. The Finance Committee will have professional advice with investments and routinely report to the membership on the results.

UNIT RELATED FINANCE POLICIES (2022 updated per capita information)

Any Unit co-sponsoring a fund-raising event with another organization without tax-exempt status will receive and disburse all funds through said Unit's Treasury. The same policy is to be followed by an Auxiliary sponsored group, i.e., marching units, color guards, etc. ALSO a Unit should maintain control over individuals or other organizations seeking to solicit members, using Department Policy if necessary.

There are several mandated items the Units must send to Department. They are Unit Bonding Fee; Rehabilitation Senior Per Capita tax, Senior and Junior Delegate Per Capita Tax; Junior Activities Per Capita. District Per Capita Tax must be sent to the District Treasurer. Per Capita taxes are based on membership totals of previous year at Department close of books. All mandates must be paid for Unit voting privileges.

as of 2023-2024: Rehab Sr Per Capita is \$0.20 per Sr member
 Sr Delegate Per Capita is \$0.40 per Sr member
 Jr Delegate Per Capita is \$0.20 per Jr member
 Jr Activities Per Capita is \$0.20 per ALL members

Unit Officers handling American Legion Auxiliary funds are bonded through the National organization, and pay a premium for this coverage annually. This premium is submitted to Department Headquarters. (2006) This fee for the three year period beginning in 2025-2026 will be \$5.50 per year.

UNIT DEBIT CARD AND ELECTRONIC PAYMENT SUGGESTIONS (2024)

The Department of Arizona encourages Units to operate WITHOUT Unit credit cards HAVING A LINE OF CREDIT.

The Department of Arizona recognizes that Units may choose to use debit cards and electronic payments in addition to handwritten paper checks. Each individual Unit of the Department of Arizona is responsible for the guidelines and rules which will pertain to their Unit to insure proper disbursement of their Unit funds. Any guidelines and rules established by a Unit must comply with Federal and State Laws pertaining to such. Each Unit should document their individual guidelines and rules within their respective Unit Constitution and Bylaws.

The Department of Arizona Executive and Finance Committees offer the following suggestions to the Units as possible internal controls for disbursing Unit Funds:

1. Unit checks, debit cards and electronic payments may be used only after receiving Unit permission as given in a vote at a General meeting of the Unit membership, and this permission must be documented in the minutes of said meeting and permanently kept on file in the Unit's financial records.
2. Unit members allowed to use checks, debit cards and electronic payments must give proof to the Unit that they have a personal credit card, thus insuring to the Unit that they have an adequate financial history.
3. The right and responsibility to use the Unit checks, debit card, and electronic payments is not tied to an office but is given to a member by vote of the Unit at a General meeting. The number of members with these card rights should be very limited. The rights may not be transferred from one member to another without Unit vote at a General meeting.
4. Unit debit cards should be stored in a secure location, eg office safe or bank safe deposit box, and only carried by a member when needed for actual use.
5. Monthly banking statements should be mailed to someone other than those authorized to make expenditures.
6. Copies of the banking statement separate from other financial reports should be provided to the membership at the monthly meeting.
7. A member making unapproved purchases with Unit funds may be held personally liable for payment of the bill. Personal purchases of any kind are prohibited.

8. Misuse of the Unit checks, debit card, or electronic payments. will lead to strict discipline on the part of the Unit. Units should report inappropriate use of their checks, debit card, and electronic payments to local law enforcement and press criminal charges.

FINANCING: SPECIAL CONFERENCES AND DEPARTMENT EVENTS (Not to include Fall Conference and Department Convention.)

For registrations, luncheons, dinners, etc., check should be made payable to the hostess Unit and directed to designated person in charge of specified events. Registration fees or Special Events fees are set by the hostess Unit and Department Headquarters Office. The same fee applies for ALL members. ALSO, if it is necessary to sign contract, the Unit President and Unit Treasurer should do so on behalf of the hostess Unit. When sponsoring a Department function, the Unit assumes financial responsibility for the event. (The same procedures as stated above would apply to any Department sponsored functions or events.)

GIRLS STATE

This Committee shall be set up and function as per the Department Constitution and Bylaws, and the Articles of Incorporation of Arizona Girls State.

The Girls State Director will provide the Department Finance Chairman a copy of the Girls State Budget for the ensuing year prior to the Annual Fall Conference.

Approval of the details under which the Association operates will be the jurisdiction of the Girls State Board of Directors, the Department Finance Committee, and the Department Executive Committee. (2007)

JUNIOR ACTIVITIES (2024)

The committee shall function as outlined in the Unit Guidebook, Junior Activities Handbook and the Guidelines as set up by the Department. {The revenue from activities of a junior group should be carried as a separate item in the treasurer's book of the Senior group of which it is a part, so that it can be used by the junior group to further their program. All Junior projects requiring the expenditure of funds should first be approved by their Senior group. Upon completion of the approved project, the bill shall be presented to the Treasurer of the Senior group for payment, thus discharging the obligation.} *{This clause is unchanged but in a different location.}*

The Juniors have two official Department meetings a year, namely the Fall Retreat and the Spring Conference as their "convention". (2007)

The Spring Conference will be held in the month of April with the date being set by agreement of both the hosting Unit and the Department Junior Activities Chairman. (91)

The Junior Activities Chairman is responsible for setting up the programs for the Retreat and the Conference and for making arrangements for same with the approval of the Department President. Any funds or materials to be solicited from Units MUST have the approval of the Department Finance Committee.

Resolved: That the Department Finance Committee allow mileage for the Junior President for attendance at the Spring Junior Conference and be it Further resolved, that the Hostess Unit for the Spring Junior Conference be responsible for registration and lunch for the Junior President. (81)

Any advisor or chaperone attending these functions with the Juniors will be prohibited from drinking ANY alcoholic beverage or exposing these children to secondhand smoke during these sanctioned weekend activities. (2007)

The Juniors at their Spring Conference will elect a President and such other officers as they deem necessary as set forth in the Guidelines drawn up, subject to the approval of the American Legion Auxiliary Department of Arizona. The elected Honorary Department Jr. President and Honorary Department Jr. Vice President will be from different Units at the time of their election and for the time that they serve together. No Honorary Department Jr. Officer may succeed themselves. (2016)

Voting for Department Offices will be the same as the District, each delegation shall have only one vote.

Since 2015 National Junior meetings for members age 8-17 have not been held at the National Sr. Convention. They have been held in various locations across the country in conjunction with seasoned member ALA Mission Training events.

The current Department Honorary Jr. President will represent the Juniors from Arizona at the National Meeting as the Delegate. The Department budgets funds to assist in expenses. Should the Department Honorary President be unable to attend, all funds would be available to an alternate. First Alternate is the Department Honorary Jr. Vice President, and the Second Alternate is the Department Honorary Jr. Secretary. The Department Jr. Representative must be under 18 years of age.

The location, time, and activities of a National Junior Meeting are under the purview of the National Junior Activities Committee. Possible selection of any National Jr. Officers or National Jr. Members of the Year will follow the then current rules and obligations outlined in the Junior Activities Handbook by the National Junior Activities Committee and the Guidelines established by the National organization.

There will be a yearly budget. Any funds spent over the yearly budget must have the approval of the Department President and Executive Committee prior to the expenditure.

In 2022 the National organization discontinued the Past Presidents Parley Committee and moved responsibility for the Member of the Year Program to the Leadership Program. LEADERSHIP TRAINING COURSE (2016)

The American Legion Auxiliary, Department of Arizona, will title its Leadership Course as "AZ Mission Training". The Committee will use National and/or Department approved materials to teach the course. At the beginning of each program year, the Committee will meet and agree upon materials which will be used. The Committee members will all be knowledgeable on that year's materials and will not deviate from the program which they outline at the year's beginning.

The "core" elements of AZ Mission Training are defined as:

--Protocol; Parliamentary Procedures; Goodwill; How to conduct a meeting (Mock unit meeting); Constitution & Bylaws; Membership; Finance, to include Budgets/Who gets paid for What/IRS Reporting/Incorporation

--Break-out session (breaking into groups consisting of "First Time Attendees", "Intermediate" and "Advanced".) The sessions will center around the attendees questions (What they want to know).

Prior to attending AZ Mission Training, a member must complete and submit a Registration Form to the Department office along with any fees. These will include the total Registration Fee as set by the Department Finance Committee, and the optional cost of a Leadership pin. Ten (10) days prior to a session of AZ Mission Training there must be ten (10) registered pre-paid participants attending or the class will be canceled. Walk-ins to the class will be accepted if there are ten pre-registrations. Walk-ins must pay registration at the time of the session, and the Leadership Chairman or Course Leader must submit these funds to Department within 10 days of the completion of the course. One (1) dollar of each Registration Fee will be returned to the hosting Unit or District BY DEPARTMENT after all fees have been received in the office.

Planning for the meal is the responsibility of the Host, and any potential cost payable by the participant the day of the course.

All members completing any 8-hour AZ Mission Training course will receive a card verifying completion of the course. It will be signed by the Department President and the Department Leadership Chairman. A participant will NOT receive a Leadership card for having completed the course unless they attend the full eight (8) hours. Any course less than 8 hours is considered a mini-course and does not entitle the participant taking the course to a card or pin.

--Charge the Colonizing Group with deciding to go forward with the Charter Application. Provide a Charter Application, Membership Applications, Unit Guidebook, EIN Application instructions, and Arizona Incorporation instructions.

--Schedule a Charter Meeting within the next 6 weeks. During the interim between Orientation and Charter Meetings, new memberships will still be processed into Unit 100.

4. At the Charter Meeting the following business is conducted:

--Initiation of any more new Unit 100 members

--Adopt the Unit Constitution and Bylaws

--Unit officers are elected and installed; Unit Chairmen are appointed

--The Charter Application is completed

--Members complete forms transferring them to the New Unit; future new members will be admitted to the New Unit, not Unit 100.

5. The Application for Unit Charter is submitted to Department Headquarters in triplicate. All copies must be signed by the Post Commander and Adjutant and at least 10 Sr. Members of the Auxiliary. The Charter fee is submitted. National must close the Charter within 30 days of the Post Commander's signature. An inscribed Charter Roll may be ordered and the fee submitted. (optional)

6. National issues Charter. AFTER the Charter has been issued by National, the Unit applies for an EIN (Employer Identification Number) from the IRS, using the Unit name exactly as it appears on the Charter: eg) American Legion Auxiliary, (name of veteran) Unit

xyz, or American Legion Auxiliary, (name of city) Unit xyz. They must then report that EIN to Department and National using the Inclusion Letter Form to be “under the umbrella” of Group Exemption Number 0964. (2017)

7. Unit incorporates following the requirements of the Arizona Corporation Commission. Unit notifies Department and National when incorporation is complete. They may pay for a new charter with “Inc.” included in the name, but this is not required.

8. Unit completes yearly tax reporting to IRS. (Form 990N, 990EZ, OR 990). **THIS IS DUE ON THE 15TH DAY OF THE 5TH MONTH FOLLOWING THE END OF THE FISCAL YEAR.** If gross revenue is less than \$50,000.00 the Unit needs to file Form 990N. If gross revenue is less than \$200,000.00 and total assets are less than \$500,000.00 the Unit needs to file Form 990EZ. If gross revenue is over \$200,000.00 or total assets are more than \$500,000.00 the Unit needs to file Form 990.

9. If Unit files 990EZ or 990, a copy of the completed form is sent to the Arizona Department of Revenue. Arizona does not currently require a copy of the 990N if that is the only form filed.

10. Unit completes yearly reporting to Arizona Corporation Commission with payment of fees. Due date varies and is determined by the Corporation Commission.

DEPARTMENT MEDIATION POLICY AND PROCEDURE (2016)

1. Members and officers recognize a mission-threatening issue and start contacting the Department Office, Officers, or Chairmen. The issue may also be initially identified by the Department Office, an Officer, or a Chairman.

2. An appropriate Department Officer or Chairman provides advice and information, and the issue is resolved by the parties involved.

If not resolved:

3. The Department President requests a meeting with members involved in the issue. In the case of a Unit this would be the Unit President and at least one additional Unit member. In the case of a District this would be the District President and at least one additional

District member. In the case of a Department Committee, this would be the Committee Chairman and at least one additional member. The Department President requests the presence of a Mediator at the meeting. The meeting is held on “neutral territory”.

4. The problem is discussed with HONESTY at the meeting. The Department President and Mediator make suggestions and recommendations on appropriate actions to be taken. The presence of the Mediator at future Unit/District Executive Committee and General Meetings or Department Committee Meetings is offered. If the representatives of the Unit, District, or Department Committee involved feel they can handle the situation on their own, they are encouraged to do so.

If not resolved:

5. The presence of a Mediator at future meetings is again offered to the Unit President, District President, or Department Committee Chairman.

If the Mediator is refused and the Mission-Threatening Issue is not being resolved:

6. The Department President requests that the Department Executive Committee authorize attendance of a Department Mediator at all Unit/District Executive Committee and General Meetings or Department Committee Meetings of the involved parties.

7. If after a reasonable length of time the Mission-Threatening Issue is not resolved, the Department Executive Committee will decide appropriate disciplinary action to be taken.

MISSION-THREATENING ISSUES (2016)

1. Theft from the organization.
2. Physical Violence between members.
3. Meetings-not-held in accordance with the Constitution and Bylaws: time, place, proper parliamentary procedure.
4. Elections-not-conducted in accordance with the Constitution and Bylaws.
5. Discipline against a member or officer not in accordance with the National, Department, and Unit Constitution and Bylaws.
6. Non-payment of Department and District mandates. Failure to renew at least 10 members each year is not of itself a reason to revoke a Charter, but is a “warning sign”.
7. No Unit or District member wishes to serve as the President.

MEDIATION GUIDELINES (2016)

1. All members and officers involved are allowed to maintain their dignity.
2. Mediators do not choose sides—they represent the rights and responsibilities of the organization as a whole.
3. Mediators do not do the “work” of the Unit, District, or Committee.
4. Mediators do not work alone—there is a team of at least 2 assigned to a problem.
5. If possible, all officers and chairmen involved in a problem will remain in their positions.
6. Mediators know the proper disciplinary procedure which can be used against a member and WHEN IT IS APPROPRIATE TO USE IT.
7. Mediators are comfortable working with a majority of the Department Executive Committee.
8. Document, Document, Document.
9. Mediators are knowledgeable on the policies of the American Legion and how they differ from the American Legion Auxiliary.

DISCIPLINE OF A MEMBER (2025) FUNDAMENTAL FAIRNESS

For any violation of the State or National Constitution or for conduct improper and detrimental to the welfare of the Auxiliary of The American Legion, any member may be suspended or expelled from membership; or any officer removed from office by a two-thirds vote at a Unit meeting called for this purpose. Said suspension, expulsion, or removal from office shall be binding only in the event said member or officer shall have been given fifteen days' notice in writing by the Unit Executive Committee of the charges and hearing thereon. (2012)

Either party may have the right to appeal to the Department Executive Committee and its action thereon shall be final. The expenses of said appeal shall be borne by the appellant.

A member subject to suspension or membership revocation is no longer a member in good standing and cannot transfer to another unit.

In the American Legion Auxiliary Unit Guidebook revised October 2024, Chapter 8 talks of how to resolve most conflicts with a private conversation.

Should the individual and Unit exhaust all other avenues of conflict resolution and conversations, the unit may choose to pursue disciplinary action. The Unit has the responsibility for the discipline of its members. A department may discipline a Unit for failure to discipline a member. All disciplinary actions must be fundamentally fair.

A member disciplined by the Unit may appeal the Unit's disciplinary action in writing to the Department Executive Committee. Disciplinary actions against members, however, are not appealable to the National Organization.

The Unit should follow its governing documents on member discipline. It is strongly recommended that a Unit consult a professional parliamentarian or an attorney. If a Unit has a defined disciplinary process in its governing documents, it should be followed.

According to the ALA National Constitution, Bylaws and Standing Rules, a member subject to suspension or membership revocation is no longer a member in good standing and cannot transfer to another unit. In other words, expulsion from a unit of the ALA is expulsion from the organization.

Only members of the accused's Post, Unit, or Squadron may bring charges against an ALA member.

The first step in the process of all actions of suspension or expulsion against a member of the ALA in good standing shall be filing with the Unit Secretary written charges, properly verified by an affidavit of the accuser or accusers, along with any witness statements. It shall be the duty of the Unit Secretary to forward all paperwork to the Unit President, who shall call an Executive Committee meeting, expressly for the purpose of moving forward with a trial or a written warning. It shall be the duty of the Unit Executive Committee to determine if the Unit needs to retain legal counsel.

The Unit Secretary shall deliver to the accused member, by registered mail, process server or in person, one copy of the charges and a written notice to appear at a specific time and place to show cause why the accused should not be suspended or expelled. These items shall be delivered to the accused at least fifteen days in advance of the scheduled appearance. The Unit Secretary shall cause note to be made of the delivery of charges and notice.

The accuser/accusers must be members of the same Unit as the accused, and she/he/they shall set forth the charges of disloyalty, neglect of duty, dishonesty, or conduct unbecoming a member of the American Legion Auxiliary in terms of simplicity and understanding in order that the accused may properly prepare a defense. The accused may defend themselves or employ legal counsel for her/his defense,

If the accused member fails to answer the charges in the manner and form stated, the charges and matters therein stated shall be taken as confessed, and the suspension or expulsion granted.

The Unit Counsel/President or President of a different Unit shall preside at the trial, shall have relevancy of all evidence presented, and shall have general power to prescribe necessary rules and regulations for the orderly procedure of said trial, except that no rule or regulation in violation of these rules shall be permitted.

Members in good standing (must be prepared to show current membership card, and no renewals or replacement cards will be issued the day of the trial) of the Unit shall act as jurors under the guidance of the presiding officer to ascertain the truth of the charges preferred. Their province is strictly limited to questions of fact, and within the province they are still further restricted to the exclusive consideration of matters that have been proven by the evidence introduced in the course of the trial.

The Unit Secretary shall take an accurate record of the proceedings and supply the accused with a transcript of the trial no later than twenty days after the trial has ended.

At the conclusion of the evidence, the accused will leave the room and the members of the Unit in attendance so acting as jurors shall determine by ballot (two-thirds vote) whether or not the accused is guilty as charged, and shall produce their decision in writing, signed by one of their number as chairman, and return same to the Unit Secretary who shall enter same into the Unit records.

Neither the accused nor the accuser, nor their Counsel/Presiding Officer, shall be permitted to sit as jurors.

A member who has been suspended or expelled by a unit will have thirty (30) days to appeal in writing to the Department Executive Committee provided that said appeal must be taken by the preparation of a transcript of the proceedings within twenty days after the judgment of expulsion or suspension.

Such transcript shall contain a copy of the charges, the notices to the accused, and a record and copies of all other actions or pleadings introduced, together with a statement of the evidence in substance to be prepared by the party appealing.

When an appeal is taken, as herein provided, to the Department, it shall be the duty of the Department Executive Director of Operations to notify all parties of the date, exact time, and place of the next Department Executive Committee meeting, or specially called meeting to hear said appeal, provided at least ten days notice shall be given.

Evidence may not be introduced before the Department Executive Committee, though arguments may be heard, and the evidence as shown by the transcript shall be the only evidence considered by the Department Executive Committee. The Department President shall preside at the trial, unless the Department Executive Committee unanimously agrees to hire special counsel, the cost of which would be borne by the party appealing.

The decision of the Department Executive Committee shall be final, and if the decision of the Unit is overturned, the suspended/expelled member automatically becomes a member in good standing of said Unit, and it is mandatory that the Unit reinstates the member upon the Unit Membership Roll.

SUGGESTED PENALTIES (DISCIPLINE OF MEMBERS) (2025)

Members of the American Legion Auxiliary strive to work the mission of our organization. The ALA believes in peace and goodwill toward others and is saddened that we must include discipline/reprimands action in our Policies and Procedures, and we ask that

all members take the time to reflect on their public behavior, and that the actions of a few members can tarnish the good that we do. Membership is our key to survival and we ask our members to be courteous of others and practice the golden rule of “Do unto others, as you would have others do unto you”, however, some members don’t always follow this practice.

Even though a private conversation can be difficult, it should be the first course of action whenever possible to correct a behavior. Member's actions sometimes must be addressed and discipline/reprimands may be the only course of action.

Incident reports on members can be written by other members of the same Post Home. Determining appropriate reprimand/discipline requires the same degree of care as is used in the initial inquiry into the offense. The decision on what reprimand/discipline is appropriate for a particular offense should be made considering the nature of the offense; was it committed maliciously or frequently repeated; past disciplinary action; and consistency of the penalty with those imposed upon other incidents for the same or similar offenses in like or similar circumstances.

If the offense is for violence, threatening or inflicting of bodily harm, sexual assault, or financial malfeasance, a report is filed not only with the Unit but also with local law enforcement.

Members of the American Legion Auxiliary are guests in the Post Home and must follow the rules set forth by the Post with the Unit President working with the Post Commander if necessary.

The following consequences are merely suggestions for Units to follow.

--Indecent or immoral conduct on Post premises: First offense 60-day suspension of member privileges; Second offense 120-day suspension; Third Offense 1 year suspension.

--Loss, damage, unauthorized use of Unit/Post property: First Offense Written Reprimand to 30-day suspension; Second Offense 60-day suspension; Third Offense 1 year suspension.

--Abusive/offensive language, horseplay, interference of employees/members rights: First Offense Written Reprimand to 30-day suspension; Second Offense 60 to 120-day suspension; Third Offense, 1-year suspension.

--Financial malfeasance, theft, fighting, threatening or inflicting bodily harm, sexual assault, assault, assault with a deadly weapon: First offense 1-year suspension to revocation of membership; Second Offense Revocation of membership.

PAST PRESIDENTS PARLEY

In 2022 the National organization discontinued the Past Presidents Parley Committee and moved responsibility for the Member of the Year Program to the Leadership Program. The Department of Arizona has reassigned responsibility for choosing the Arizona Member of the Year and presenting the individual and Unit awards involved to the Department Leadership/Mission Training Chairman and Committee.

The Service Member of the Year Award (previously Service Woman of the Year) which was part of the National Past Presidents Parley has been reassigned to the National Security Program. The Department of Arizona has also reassigned responsibility for selecting Department Service Members of the Year to the Department National Security Program.

However, the Department of Arizona has chosen to continue their Past Presidents Parley Program with activities and responsibilities as described in this section.

The Past Presidents Parley Chairman will be appointed by the Department President and must be an Arizona Past Department President. (2001)

The program includes the care of women veterans, membership, Nurses Scholarships and Health Related Scholarships. These scholarships are financed by the Units' Past Presidents Parley dues and special contributions by the Units. A breakfast or luncheon meeting at the Department Convention will be presided over by the Department Past President Parley Chairman where the business of this group is discussed.

This Chairman and Committee are responsible for awarding the Department AAPP Plaque (Arizona Active Past President Plaque) at the Department Convention.

PAST PRESIDENTS PARLEY NURSES SCHOLARSHIP

These scholarships are awarded annually to not less than a second year student who is enrolled in an accredited institution in Arizona awaiting a degree as a Registered Nurse or a graduate nursing degree. The immediate family members of a Veteran will be given first preference. Applicant must be a citizen of the United States and resident of Arizona for at least one year.

Scholarship applications are available from the Department Past President Parley Chairman, the Department Headquarters, or the Department website. Rules and Regulations concerning this scholarship will accompany application forms.

PAST PRESIDENTS PARLEY SCHOLARSHIP ASSISTANCE IN HEALTH OCCUPATIONS

The American Legion Auxiliary Department of Arizona will accept applications for assistance to students pursuing a career in Health Care Occupations.

Applicants must be enrolled/enrolling in an accredited tax-supported institution in Arizona which offers a certificate or degree program in Health Care Occupations (e.g., Nurses Assistant, Dental Assistant, LPN, Lab Technician, Physical Therapist, Inhalation Therapist, etc.). Applicant must be a citizen of the United States and a resident of Arizona for at least one year.

Scholarship applications along with rules, regulations, and procedures, may be obtained from the Past Presidents Parley Chairman, the Department Headquarters, or the Department website.

PAST DEPARTMENT PRESIDENT'S MEMORIAL FUND

Because the Department Presidents have served our Department with distinction, and each in their own way has guided the program to new heights, and in the years following have shown their interest and devotion by the continued activity, upon their death, a \$50.00 donation from the Past President's Memorial Fund shall go to the organization or project of the President's choice. (88)

The Department Executive Director of Operations shall request this information from the newly elected Department President each year, as soon as possible after election to the office and that this information be noted in permanent record card.

Voluntary contributions to this Memorial Fund will be accepted at any time. Units and members may send contributions to the Department Executive Director of Operations, ear-marking it for the "Memorial Fund".

PRESIDENT'S SPECIAL PROJECT

The Committee shall function to educate the Department on the Special Project chosen by the current Department President and approved by the Finance Committee,

offering suggestions to the Units on possible work or fundraising activities. They are responsible for reporting on the combined work of the whole Department on this project. (2005)

POPPY

Because the poppy is our official memorial flower, the Poppy Chairman should emphasize Unit participation in all aspects of the National and Department programs. (*Refer to National Poppy Program Guide.*)

POPPY MAKING

The Department President no longer appoints “poppy making” chairmen as in the past. All materials for making poppies are administered through Department Headquarters.

All Unit Poppy Orders will be to the Department Executive Director of Operations by September 30. Each order must be accompanied with a check to cover cost of supplies.

Poppies can be made by any Veteran; at home, at the Post Home, Nursing Home, in Senior Centers as long as it is the Veteran who receives the pay for making them. All payments to veterans for making poppies will be made from the main Department account and all accounting of such payments will be done by Department. (2017)

As of 2013, when demand exceeded what veterans can supply, anyone can make poppies. They may even be commercially produced, however, only veterans may be paid for making the poppies. If poppies are not made by veterans, the traditional tag must be altered or a new tag created so donors are not misinformed.

All Poppies MUST be made and in the Unit’s possession no later than May 1. (2001)(2002)

After the deadline (September 30), should a Unit want to order poppies, they should check with the Department Executive Director of Operations as they will know if there are extra poppies, or if some can be secured for the Unit.

It is recommended by the National organization that “Poppy Week” beginning the Saturday preceding Memorial Day be the scheduled time for distribution with the exception of those Units who by reason of competition or other good reason cannot hold their distribution that week.

Resolved: Cost of poppies will be determined each year by the Finance Committee and approved in the Department Budget at Convention. (97) (At Convention 2023 cost of poppies was set at \$15.00 per 100 beginning in 2024-2025.)

Resolved: Unless a Unit orders a minimum order of one hundred (100) poppies each year, it shall be eliminated from all competition for awards and citations for that year, exclusive of membership awards and citations. (81)

Ten percent (10%) of NET Poppy proceeds will be sent to the Department Executive Director of Operations as soon after Unit Poppy Distribution as possible.

PUBLIC RELATIONS

The program shall encompass all aspects of the National Public Relations Program.

The Chairman is responsible for preparing a Press (Publicity) Book which becomes the property of the Department President at the end of their year. There is no longer a National Press Book Competition.

The Department President should use the “Ring Your Bell” Department Facebook page to document her travels and not any separate Facebook pages.

SCRAPBOOK

The Committee shall collect mementos and pictures from the members of the Department chronicling the Department President's visits and activities, compile them in a Scrapbook or Scrapbooks and present them to the Department President at Department Convention. This Committee will be responsible for judging the Scrapbooks submitted by Units and Districts for competition according to approved Department Rules at the Department Convention. (2005)

STRATEGIC PLANNING COMMITTEE (2014) Inactive (2019)

In 2019 the National organization chose not to form a Strategic Planning Committee for the next 5 year period (2019-2024). Arizona also has not had an active Strategic Planning Committee since 2019. The Department Executive Committee wishes to keep this Committee (noted as inactive) in the Department Policies and Procedures in case it is needed in the future.

The Department of Arizona will form a Strategic Planning Committee that will function for the years (2014 – 2019) and the members of that committee will be:

By virtue of office or title:

the Department President, the Department Vice President, the Department Second Vice President, the Department Historian, the Department Chaplain, the National Executive Committeeman, the Department Executive Director of Operations

By virtue of Presidential appointment to a 2 year term and Department Executive Committee approval:

2 additional Past Department Presidents

A “Unit Member of the Year”

A current Senior member who was a Junior member before age 18

This committee will be chaired by the Department President and set their own schedule of meetings. Any member of the organization may attend the committee meetings with voice but not vote.

During 2014-2015, this committee will review all materials coming from National pertaining to Strategic Planning and the Centennial Plan. They will recommend a “Plan” and subsequent “Initiatives” for the next 5 years for the Department of Arizona based on the National Plan. During this “first” year, any Plan or Initiative which the Strategic Planning Committee recommends be implemented before Department Convention 2015, will be reviewed and approved by the Department Executive Committee. Up to \$200.00 is authorized for implementation during 2014-2015. The complete 5 year Plan of Action and Initiatives will be presented and approved by Department Convention delegates in 2015, and reviewed and adjusted on a yearly basis at subsequent Department Conventions. At Department Convention 2019, the delegates will determine if another 5 year Strategic Planning Committee should be authorized for 2019-2024.

TROPHIES AND AWARDS

The Committee will be responsible for follow-up with the appropriate Unit or District on any plaques or trophies which were not returned to the immediately previous Junior

Conference or Department Convention. They will work in conjunction with the Department Executive Director of Operations to accomplish the tasks of either finding or replacing the award and getting it to the new recipient or storing an unawarded plaque or trophy for the next year. They will be responsible for keeping track of the Junior plaques awarded at the Junior Conference.

Prior to the Junior Conference and the Department Convention the Committee gives the Units and Districts a list of the awards they are to return.

They will be responsible for collecting and inventorying plaques and trophies returned at the beginning of Department Convention. They will distribute plaques and trophies to the appropriate new recipients and make a written record of who signed the plaque out for the coming year. They will report any trophies not returned to the Convention Delegates, the Department Executive Director of Operations, and the committee that succeeds them. (2005)

Any Unit or District not returning a trophy or plaque by the close of the Convention at which they are expected to return it, will be fined \$55. The fine will be payable at the time that the Unit or District pays any mandates for the new year, and be reflected on the mandate list distributed in the August monthly mailing. This fine is still payable and nonrefundable even if the trophy or plaque is returned to Department at a later date or time. If the fine is not paid at least 30 days before the next ensuing Department Convention, the Unit or District will lose its vote at the next ensuing Department Convention. This will take effect at commencement of Convention 2022. (2021)

A Unit that is not incorporated at least 30 days prior to Department Convention is not eligible for Trophies and Awards excepting Membership Awards and Citations at Department Convention. (2010)

VETERANS AFFAIRS AND REHABILITATION

The Department Second Vice President shall serve as Veterans Affairs and Rehabilitation Committee Chairman. The Department Service to Veterans Chairman shall serve as Veterans Affairs and Rehabilitation Committee Vice Chairman.

The other members of the VA&R Committee are as outlined in the Department Constitution and Bylaws: the Certified VAVS Representatives and Deputies from each VA Medical Center; the overall Creative Arts Department Chairman and one Creative Arts Chairman from each VA Medical Center; one Gift Shop Chairman from each VA Medical Center; and one Chairman from each State Veterans Home. (2025)

The program of the National Organization will become a part of the Department program.

Rehabilitation may include:

1. Securing proper hospital care.
2. Giving physical and mental cheer to veterans in hospitals.
3. Aiding the disabled Veterans to re-establish themselves in life after disabilities have been arrested or cured.
4. Securing just compensation for all disabled Veterans.

The Veterans Affairs & Rehabilitation and Children & Youth Committees should work together in the best interest of the family.

Any VA&R sub-program receiving funds will maintain accounting records as described under the Department Finance Policy on pages 31-33 of this Manual. Said books will be audited when called for by the Department Finance Policy.

CERTIFIED VAVS REPRESENTATIVES AND DEPUTIES

The Certified Department Veterans Affairs Voluntary Service Representative is in charge of the volunteer hospital workers program in their particular hospital.

All contacts from Hospital to organization must be through the Certified Department VAVS Representative, then from Representative to Units.

Certified VAVS Representatives and Deputies must be certified to the National President, through the Executive Director of Operations; the National President then certifies them to the Hospital.

By National Policy, Certified VAVS Representatives and Deputies remain in their respective position from year-to-year except for reason of non-performance or resignation. (2025)

The Certified VAVS Representative is in charge of planning and directing the hospital programs of the American Legion Auxiliary with the Hospital Director where serving, and should have a thorough understanding of the hospital. The Certified VAVS Representative serves as the American Legion Auxiliary Representative on the Hospital VAVS Committee and attends their meetings.

The Certified VAVS Representative shall help in recruiting volunteers and conducting orientation courses in the hospital.

The Certified VAVS Representative must report quarterly to the Department VA&R Chairman. A full report on activities and financial status to the Department VA&R Chairman and the Executive Director of Operations will be required at the end of the year. Financial records shall be audited by the Finance Committee annually as outlined on pages 31-33 of this Manual.

The Certified VAVS Representative will conduct Annual Joint Reviews with their respective VA Medical Center as outlined by National Policy and provide other reporting as requested by the Department VA&R Chairman. (2025)

The Annual Department Budget should include funds available for the Department Certified VAVS Representative for hospital expenses such as volunteer pins, postage, etc. and veteran's family expenses for transportation, phone, and family needs, etc. Unit donations will cover social services, bingo, etc.

CREATIVE ARTS

The Creative Arts program is a sub-program under the VA&R Program and is nationally recognized. The purpose is the rehabilitation of Veteran inpatients or community based Veterans through the use of Art, Music, Writing, or Dance.

The Goals are to hold local competitions co-sponsored by the local VA Medical center and the American Legion Auxiliary and to encourage all eligible veterans to participate.

Winners of the local competitions are then judged at the Regional level. Regional winners are judged at the National level. First Place winners at the National level are provided with financial support to attend the National Creative Arts Festival from the National Organization, the VA Administration and individual monetary donations. All donations must go through the Department Office.

The Department President will appoint the overall Department Creative Arts Chairman and the local chairmen for each VA Hospital.

HOLIDAY GIFT SHOP

The Holiday Gift Shop program is a sub-program of the VA&R program. Each VA Medical Center will have a Gift Shop Chairman. Chairmen will work with their hospital to determine appropriate venue and process for providing Hospital approved gifts for veterans and their families during December holidays. Chairmen are responsible for purchasing gifts in compliance with Department Finance policy, recruiting volunteers, promoting event and providing reporting or other activities as requested by the Department VA&R Chairman.

ARIZONA STATE VETERANS HOME(S)

The Arizona State Veterans Homes are a sub-program of the VA&R program. State Veterans Home Chairmen will report to the Department VA&R Chairman. State veterans Home Chairmen will work with their respective State Home to determine needs and work to fulfill those needs in compliance with Department Finance Policy. Chairmen will engage Units/Members in fulfilling those needs as appropriate.

SERVICE TO VETERANS

This program Chairman will be appointed as outlined by the Department Constitution and Bylaws and serve as the VA&R Committee Vice Chairman.

“Service to Veterans” volunteers provide service to all sub-programs of the overall Department VA&R program. They volunteer inside and outside of a VA Medical Center or a State Home (2022) Volunteers conduct projects from their homes and in their communities, assisting veterans, active duty military, and/or their families. Assistance to family members can be reported within the parameters allowed by the National organization.

Service to Veterans volunteers maintain their own record keeping of hours served and dollars spent, utilizing the form which the Chairman has approved. This form is posted on the Department website.

REPORTING OF SERVICE HOURS UNDER ALL VA&R PROGRAMS

The Certified VAVS Representatives and Deputies, hospital volunteers, Creative Arts Chairmen and volunteers, Holiday Gift Shop Chairmen and volunteers, State Veterans Home Chairmen and volunteers, and all other VA&R volunteers are eligible for bars recognizing their hours of service as long as they report monthly. All volunteers maintain their own record keeping of hours served and dollars spent, utilizing the form which the Department Service to Veterans Chairman has approved and posted on the website. The form will include individual data: the name and number of the Unit; names of members and non-members reporting hours; hours of service; number of veterans served; type of service; dates; and cost of materials.

They submit the information (monthly) in one of two possible ways. **1)** They report their individual hours to the Unit Chairman responsible and then the Unit Chairman sends one report including all of the individual reports to the Department Service to Veterans Chairman on the approved “Unit” form. Once again for emphasis, the numbers are reported on an individual basis, even when listed with others on a monthly Unit form. The records on the Unit report for each volunteer should agree with the individual records turned in to the Unit Chairman. The Unit Chairman should keep a copy of all individual records.

OR **2)** They report their individual hours directly to the Department Service to Veterans Chairman monthly.

The Department Chairman is responsible for adding the number of hours served in the current year to any previously earned hours so the permanent record of each person shows the rewarding of bars or the hours necessary for a bar. The Department Service to Veterans Chairman is then responsible for ordering all hour bars. Hour bars are provided at no cost. If the individual volunteer wishes to purchase a pin to hold their “highest” bar, it must be ordered and purchased through Department Headquarters. The Department does not pay for the pin, but it must be ordered through Department.

Volunteers are recognized with bars when specific hour milestones are reached: 50, 100, 300, 500, and 1,000. After the first 1,000-hour bar is awarded, the next bar will be earned in 1,000 hour increments up to 20,000 hours. Hour bars are provided at no cost to Departments.

ANNUAL REPORTING OF HOURS

The Annual Report Form for Service to Veterans is also approved by the Department Service to Veterans Chairman and is posted on the Department website. It is due at the same time as all Unit Reports to Department Chairmen. It includes: the name and number of the Unit; address and name of the Unit Chairman; numbers of volunteers; types of service; total number of veterans served; total hours served by all volunteers; total numbers of hours served by the Unit; and total cost of materials.

The Department Service to Veterans Chairman totals all numbers sent by the Units on their Annual Report Forms, and forwards the totals to the Department VA&R Chairman so it may be included in the VA&R report to National.

For further information, see the most recent version of *Veterans Affairs & Rehabilitation: A Guide for Volunteers*.

WEARING OF FLAG PIN: If a flag pin is worn, corsages should not be worn above the flag pin. The Flag pin should be worn on the left side of the blouse and may be worn with the pin of the current Auxiliary office held by the member with the Flag pin slightly above or even with the Auxiliary pin.

HONOR GUARDS: Honor guards may be given for continuous years of membership in the Auxiliary. In order to be eligible for one, membership DUES MUST HAVE BEEN PAID EACH YEAR WHEN DUE, otherwise membership is not considered continuous for an honor guard.

WEARING OF INSIGNIA: The American Legion Auxiliary pin should never be covered by a badge or a corsage. The American Legion Auxiliary pin shall be worn on the left side, over

the heart. All badges, (officers, delegates, alternates, guest, name tags or badges of other nature) may be placed on the right side or below the Emblem Pin, which is worn at all times. The Auxiliary Pin worn over your heart should be that of the highest office you have held or that of the office you currently hold.

SASH RIBBON: The Sash Ribbon as worn by the Department Officers, present and past, is worn at Conference, Conventions and at District meetings if the District President so desires. These ribbons are not to be worn at social gatherings and meals. The ribbons are to be passed on each year at the Installation of Department Officers. A Past Presidents Sash Ribbon approximately one and three quarter inches wide will be presented to the National Executive Committeewoman as a gift from the Department at the Installation Ceremony.

The Ribbon is worn over the right shoulder and under the left arm. No pins or decorations should be affixed to the ribbon. It should not be knotted at the left to fasten it, but should hang crossed and secured by an invisible fastening on the under-side. It is never worn over a topcoat of any kind, but may be worn over a suit coat.

UNIFORM TYPE HAT: While the American Legion Auxiliary does not have an official Auxiliary hat or uniform, there are two different styles of hats offered to our members through the National Emblem Sates catalog which Units often purchase for their marching units and installation teams. These hats are normally worn to compliment the “uniform look” i.e. jacket, skirt and blouse; or during the summer months, such marching units often wear the hat with a very tailored blouse and skirt. While the uniform look of jacket, skirt and blouse is strictly the choice of the Unit or Department, it is extremely important to remember that any time the name of the American Legion Auxiliary is used or the emblem is worn, you are not only representing yourself, but you also become the image of a million-member organization. The Auxiliary hat should not be laden with State pins – it was never intended for this purpose.

AWARDS: All new plaques must first be approved by the Department Executive Committee. Rules must be submitted in typed form.

The original name and rule of all trophies and plaques must remain the same when replaced.

District plaques shall be limited to two namely, Membership and Unit Activities Plaques.

The Department Officers and Chairmen will annually set a uniform due date for submission of Department Reports and Award Submissions at the Officers and Chairmen meeting at the beginning of the new program year. (2018)

The National award winners are announced during the virtual meetings. Awards are then shipped to the Department (not picked up at National Convention).

NATIONAL PRESIDENT'S VISIT (Subject to change): The Department President appoints a Chairman for this visit. Usually it is a Past Department President living in the area where the affair will be held. It is the prerogative of the Department President to name the site.

The National Executive Committeeman serves as Distinguished Guests Chairman.

The Events Chairman, the Department President, and the Distinguished Guests Chairman make the necessary plans, and decide on a gift. The NEC will present the gift and is responsible for mailing other gifts to the National President's home after the affair is over.

The President and Distinguished Guests Chairman make plans for other entertainment for the guest, depending on the length of the stay.

There is a budgeted amount allowed for this visit to cover all expenses including gift, corsage, and room. The price of the luncheon or dinner should be set to cover the expenses and pay for the invited guests. This does not include other expenditures for paid entertainment or music during or after dinner/luncheon without permission of Department President and Chairman of the Special Event. (If event is held at a Post Home, the Unit and/or Post will underwrite such expenses.) Net proceeds from this function are forwarded to Auxiliary Headquarters, along with final report, which will be the responsibility of the Special Event Chairman. (90)

Checklists for these affairs are available at Department Headquarters, if requested.

NATIONAL WESTERN DIVISION VICE PRESIDENT'S VISIT (Subject to change):
Efforts should be made to have this visit at the Department Conference. Usually, a luncheon is planned in their honor by the Department President and the Conference Chairman and Committees. There are funds budgeted for this visit to cover the room, corsage and gift.

The President and Distinguished Guests Chairman decide on how the Western Division Vice President will be entertained and on the gift. The Distinguished Guests Chairman takes care of buying the gift and presenting it. The Conference Chairman takes care of reservations for the guest at Auxiliary Headquarters.

Should this visit be made at a time other than Conference, other arrangements are made. These arrangements are similar to those for the National President's visit. In this instance, a special Chairman would be appointed.

SUGGESTED INSTALLATION CEREMONY FOR DEPARTMENT CONVENTION

The incoming President names the Installing Officer, who must be a Past Department President. Together they plan the Installation Ceremony consulting with the Department President on the arrangements.

This Ceremony is only suggested and may be changed – this is the prerogative of the Incoming President.

The Incoming President names those to serve as Chaplain, Sgt-at-Arms, etc., for the Installation Ceremony only.

INSTALLATION CEREMONY

During a brief recess additional chairs for the new officers will be put in the front or on the stage, depending on the place and room available.

One rap of the gavel will again seat the members and the Installation will be held.

The Outgoing President will ask that the Installing Officer be escorted to the podium. The Installing Officer then asks for the advancement of the Incoming Officers except the President elect.

(The Outgoing President will be seated on one side of the stage, leaving the other side for new officers.) “Will the Pages escort the delegation from Ms _____ Unit and Post to the front.” (Have a number of rows of seats for seating of delegation.) “Will the Pages please escort Department President Ms. _____ to the Podium.”

INSTALLING OFFICER: “This is the place and the time where we publicly express and acknowledge our debt of gratitude to our retiring Department Officers for their faithful and successful leadership this past year. We would have them know that they have the respect and the appreciation of Auxiliary members throughout the state. Now is the time too, when we extend a warm and enthusiastic welcome to these newly elected officers who are gathered here to take their part in this Installation Ceremony.”

“Will the newly elected officers please rise.”

“Officers elect, you are standing on the threshold of an American Legion Auxiliary new year for you have been chosen to fill these Department Offices and to guide the activities of our organization for this next year. It is a high honor to be elected a Department Officer and this honor has come to you because the members as delegates have confidence in your ability, confidence in your loyalty and in your desire to promote the Auxiliary programs. But with this high honor comes duties and responsibilities, and in order to warrant the confidence and trust that has been reposed in you, you must at all times remember that the success and welfare of the American Legion Auxiliary will, to a great extent, depend upon you as you assume the duties of your office.”

“It will be your obligation to preserve the good name and the integrity of The American Legion and the American Legion Auxiliary, as it will be your duty to contribute in every way to the accomplishment of the aims and purposes of our organization. You must ever be alert to apply the teachings of the ideals of justice, freedom, democracy and loyalty and you must guard well these principles. The dignity and devotion with which you carry these obligations will serve as a pattern and a guide for your fellow members everywhere. Now, as you assume your new office, your thoughts will naturally turn to ways that our programs may progress and grow. Keep in mind, however, that the success of the American Legion Auxiliary cannot be measured alone by the money we are privileged to spend on all of worthwhile endeavors and projects nor can it be measured alone by our membership.

These two things are necessary, because we could not function properly without them. But the real success of the American Legion Auxiliary depends upon the success of our entire program and the success can only be accurately measured by the services we are able to render and by the aid we are able to give to those who look to us and depend upon us for assistance. So, it will be largely by your devotion to mutual helpfulness that it will be possible to increase our services as we face this new year and work together for our God and Country. With this goal uppermost in your hearts and minds today, will you raise your right hand and repeat after me, giving your name where I give mine?"

"I, _____, / do solemnly pledge / to perform faithfully and impartially / the duties of the office / I am about to assume." (Three raps of the gavel for all to rise.)

"The Chaplain will offer prayer."

CHAPLAIN: "Heavenly Father, we ask that Thou will give wisdom and understanding to these newly elected officers of the American Legion Auxiliary. Bless and encourage them in Thine own special way. Guide them as they lead us in our program of service. May they assume their offices with determined and loyal hearts to fulfill their obligations to our organization."

"We pray that the American Legion Auxiliary may be worthy of being used by Thee in giving moral and spiritual leadership to the great enterprise of building an organization that has for its purpose service To our fellowman and to Thee. In Thy Holy name we pray. Amen." (One rap of gavel to seat membership.)

INSTALLING OFFICER: "Will the outgoing Department Officers please present their successor, beginning with the District Presidents, with the Department Officers sash." (Each Outgoing President and Incoming President approach the Podium – one at time – the outgoing will introduce the incoming. NO SPEECHES. Remove the sash and place on the new officer.)

After all Department Officers have exchanged their sash – Chaplain, Historian, Second Vice President, Vice President, President, NEC – in like manner the Installing Officer says:

"It is with great pride that I present to you your Department Officers. I have charged them with a serious responsibility and in turn I charge you likewise. Will the members of the American Legion Auxiliary please rise and will you raise your right hand and repeat after me. "I solemnly promise / to renew my pledge of service / to the American Legion Auxiliary / and to give wholehearted support to these Department Officers." (One rap of gavel to seat membership.)

The Installing Officer presents the gavel to the newly installed President. The new President will at this time make an acceptance speech. The new President then introduces their spouse and family. Either they or the Installing Officer will introduce the other guests who have come to pay tribute to the newly elected President. After all the introductions and so forth that go along with this part of the ceremony, the Installing Officer resumes the chair and announces that the Junior Past President will now receive their Past Presidents pin. Installing Officer makes a little speech in presenting the pin (such as knowing that it will always be treasured, worn with pride, etc.). Also state that the outgoing President will be welcomed to the ranks of the Past Department Presidents wholeheartedly. The retiring President will at this time say all the little "Thanks You's" and anything else desired.

The New Department President will turn the gavel back to the Outgoing President for the close of convention. The guests can then be asked if they would like to be excused. If they want to stay ask them to be seated, then proceed with whatever business is at hand.

Sometime during the morning the newly elected Department Commander is brought to our meeting. This part has to be played by ear – as you never know when they will arrive. Should it be during the Installation Ceremony, they will just have to wait until it is over before they can be presented.

The Outgoing President will then proceed with the adjournment of the Convention. Benediction will be given by the retiring Chaplain and will be followed by the retirement of the Colors.

The Unit colors retire first, then the District, then the Department Colors followed by the Outgoing Department President and Officers. The newly installed Officers remain on the stage.

Thus the Convention is brought to a close.
