

Hello, my name is Charlotte Sullivan, and I am a proud member of Christopher J. Lakpa Unit 105 in North Phoenix. I have been a member of my unit for six years and am honored to be serving my third term as Unit President.

I joined the American Legion Auxiliary to honor my brother and both of my grandfathers—not only for their military service, but also for their unwavering dedication to our country and to their families. Their example continues to inspire my commitment to serving our veterans, military families, and our community.

My family is my world. My husband and I have been married for 16 wonderful years, and together we have three beautiful daughters. We cherish spending time together, taking family trips, and making sure our girls always know how deeply they are loved.

If you have any questions about the Children & Youth program, please don't hesitate to reach out to the committee. Our contact information, including phone numbers and email addresses, is available on the Department website. There are also many excellent resources available to help you learn more about Children & Youth programs, including ALA Academy, the National and Department websites, and the National Children & Youth Facebook page.

As the new school year begins, I want to recognize the many units working tirelessly to ensure our children, teachers, and schools have a successful start. Your dedication, compassion, and commitment make a meaningful difference in the lives of so many.

Thank you, each, and every one of you, for your continued service and dedication to the American Legion Auxiliary. I look forward to working alongside all of you and to an amazing year ahead.
