January 2026,

HAPPY NEW YEAR,

National President Pam Ray will be visiting Arizona March 12-16, 2026. We are working on activities, if your unit is interested in hosting a luncheon, dinner or meet and greet please let Rose know. We are looking at being in Southern Arizona for those four (4) days.

ALAMIS billing will be sent out for 2026 in February. No changes can be made, nor anyone added until National bills all Departments!

Department NO LONGER HOLDS MEMBERSHIP CREDITS!!! ONLINE AND OVER/UNDERPAYMENTS ARE REIMBURSED MONTHLY. DO NOT WRITE USE CREDIT ON YOUR MEMBERSHIP WHEN YOU SEND IT IN. If the check, we send you is not cashed within 90 days of issuance the bank automatically voids it and you **WILL NOT BE ISSUED ANOTHER ONE!**

The phone and Internet upgrades here at headquarters are complete. Thank you for your patience and understanding while this process was going on.

We have upgraded the Dept. website. It will be the same web address but more up to date. Anyone with website experience, with an emphasis on Go Daddy, that would like to volunteer to help webmaster Deb Munchbach (be a backup/assistant) with the website once updated please let us know.

PRESIDENT'S SPECIAL PROJECT: President Dolores's project this year is **Caregivers and Hospice**. Dawn Davidson from Unit 45 is the PSP Chairman. You can reach her at, aladawndavidson@gmail.com, if you want her to visit your Unit or District, or to get more information.

MEMBERSHIP: Membership is everyone's job. 2026 membership renewals, re-joins and new members can be sent to the Department. Don't hold on to membership, please send in weekly.

RENEW MEMBERSHIP BY PHONE: Call National Headquarters at 317-569-4570 with your member ID and debit or credit card ready

MANDATES: The 2025-2026 mandates are on the website. Please pay your mandates sooner than later. There were several Units who did not pay their mandates 30 days before the Department Convention; therefore, they lost their voting rights at Convention. If you have any questions regarding Mandates, contact the Department Office.

2026 DIRECTORY: Is on the Department website: **www.aladeptaz.org**. If your Units information is blank, that means we did not receive your new officer information. Please email us with the information and we will get you entered.

POPPY: We need units to start making poppies for Department. I have 3 veterans making poppies and two of them have just started. A shout out to Roger Munchbach, who supplies Department with 98% of the poppies the units order.

Unit Goals: 2026 Unit Goals are in the new 2026 membership report and in the directory. Good luck to all Units in achieving 100% for President Dolores.

The Office is open, and we are here to help. Office hours are Monday through Friday from 7:00 a.m. to 4p.m. Evenings by appointment. (please don't be afraid to ask).

ALA Arizona Auxiliary – Monthly Chaplain Message December 2025

Dear Auxiliary Members,

As we enter this season of light and gratitude, I am reminded of the strength we share through service. December is a time to reflect on the blessings of our mission – supporting veterans, their families and one another. May your holidays be filled with peace, joy, and the warmth of our community.

Highlight a unit's holiday project (e.g. care packages for veterans, toy drives, food deliveries/support). Share photos or short stories of how auxiliary members are spreading cheer this holiday season on Ring Your Bell.

A prayer for December: May our service shine as a beacon of love and compassion for all who need encouragement. Let us carry the spirit of hope and renewal into our work. As we celebrate the holidays and welcome in the New Year, may our American Legion family continue to grow in unity and purpose.

Please take a moment this month to honor the memory of Auxiliary members who have passed. Consider lighting a candle or sharing a moment of silence at your next meeting. Their contributions continue to inspire us.

Thank you for your dedication, compassion, and unwavering support of our veterans. Continue to encourage members to renew before year-end to stay connected. May our hearts continue to be filled with gratitude during the holiday season.

NOTE to ALL District and Unit Chaplains - please join our Chaplains Circle on the Band app so that we can all be united in prayer. Scan with your phone the QR below. If you have any questions or issues please reach out to me at AzDeptChaplain@gmail.com or 562-370-0080 (text). (P.S. Chaplains Circle on the Band App is open to any auxiliary member)

With grace and gratitude,
DeDe
ALA Arizona State Chaplain

ALA CHILDREN & YOUTH PROGRAM

The ALA Children & Youth program promotes our mission to enhance the lives of U.S. veterans, military, and their families.

The Children & Youth Program has 4 Key Program Statements:

- The Children & Youth program emphasizes protecting, caring for and supporting children and youth, particularly those of veterans' and military families.
- To recognize and reward the positive actions of our children and youth, the American Legion Auxiliary has two special national awards bestowed to youth nominated by units: the Youth Hero Award and the Good Deed Award
- Kids of Deployed are Heroes 2 (KDH2) is an initiative honoring military children who may be experiencing a separation from one or both parents, whether deployed to a war zone, having a short tour, or on an extended temporary duty assignment.
- The ALA Children & Youth program strives to support and promote the Children & Youth program of The American Legion.

Education January 2026

The 1st semester is already at an end! Each month I am focusing on one of the areas mentioned in the August newsletter. This month: **Assist and support veterans pursuing higher education and vocational education.**

There are a number of ways that Members and Units can assist veterans in furthering their education:

- Volunteer to collaborate with a Student Veterans of America chapter or other campus student veterans group at colleges and universities in your community.
- Sign up to receive The American Legion's Legislative Action Alerts, and support the alerts regarding the GI Bill.
- Arrange for your post home to be available for off-campus events/chapter meetings.
- Provide information/handouts to members on organizing and delivering presentations on career and life skills topics to student veterans.
- Promote events through local media and your Unit social media accounts.
- Promote the American Legion Auxiliary Non-Traditional Student Scholarship, available for students who are returning to the classroom after some period of time.

Please continue sending me updates on your Unit activities for the Education program. The year-end report form is posted on the Department website with the other chairmen's report forms.

I look forward to hearing how your Units promote the Auxiliary education programs throughout the school year.

GETTING THE WORD OUT ABOUT SCHOLARSHIPS

Scholarships are a great way for students to finance their education. The biggest hurdle we face is getting the word out that The American Legion Auxiliary has scholarship funds available for deserving students. Here are ideas for getting the information out to our schools (including home, charter, and private schools), students, parents, and the community.

Utilize social media platforms

- Use social media platforms to distribute scholarship information: Facebook, Instagram, X (formerly Twitter), TikTok, and LinkedIn.
- Create engaging posts and videos highlighting specific information, such as eligibility, deadlines, and benefits.

Use school communication channels

- Contact the schools for ways to connect with students and parents.
- Ask to post announcements on school websites, portals, and newsletters.
- Ask to include scholarship flyers in report cards, registration packets, or event programs.
- Ask to include an announcement in school activities programs.

Sponsor Scholarship Information Sessions

- Organize webinars and in-person workshops explaining scholarship options and application tips.
- Invite previous scholarship recipients to share their experiences and advice.
- Offer Q&A sessions for students and parents

Partner with Community Organizations

- Ask your local libraries, youth centers, and other nonprofits to distribute flyers and host information sessions.
- Connect with cultural, religious, and civic groups to reach specific communities.

Advertise in Local Media

- Submit press releases to local newspapers, radio stations, and community magazines.
- Feature scholarship stories and testimonials in your local media outlets to generate interest.

Use Classroom and Campus Outreach

- Contact teachers and counselors and ask them to share opportunities during class or advisory periods.
- Display posters, flyers, and banners in high-traffic areas such as cafeterias, libraries, and bulletin boards.
- Set up scholarship booths at school events, fairs, and parent-teacher meetings.

Create a Dedicated Scholarship Website or Portal

- Develop a user-friendly website that lists all available scholarships, their eligibility criteria, and deadlines.
- Include application guides, FAQs, and support contact information.
- Enable online applications and status tracking.

Encourage Word-of-Mouth Referrals

- Motivate students, alumni, and staff to spread the word among their networks.
- Offer incentives, such as referral rewards or recognition certificates, for promoting scholarships.

Combining these strategies can maximize awareness and increase the number of scholarship applications. Tailoring your outreach to your target audience's needs and preferences ensures your message reaches those who can benefit most.

Purple Star Schools

Have you heard of Purple Star Schools? I had not until I was asked about them and did some research. A Purple Star school is a public or charter school whose mission is to help military families maintain continuity in their child's education through changes in duty stations. 44 states currently have Purple Star schools, with 5 more states pending legislation.

Purple Star schools are a key piece in the readiness puzzle for military families who traditionally move every 2-4 years. These schools give parents peace of mind and help smooth the transition for students, keeping them on track for academic success.

Educators at these schools receive training on the Military culture, on identifying the challenges students face when "being the new kid" again, and on tools to help identify the social-emotional effects of relocation. These schools are typically located near military installations.

The Military Child Education Coalition (MCEC) is a non-profit organization formed 26 years ago and serves as an advocate for Purple Star schools. To learn more about MCEC and this important education program, please visit:

Help us award \$182,000 in scholarship funds to qualified individuals by sharing this information. Several scholarships require letters of recommendation or proof of military service, so encourage students to start **NOW** to collect the information needed for the application. Holiday breaks are a great time to start working on these. Please share with your students that they should not wait until the last minute.

Spirit of Youth Scholarship

Out of the 52 potential department scholarship recipients, one from each division will receive a \$5,000 scholarship. An additional \$1,000 scholarship is available to the remaining 47 departments. Candidates for this award shall be or shall have been Junior members, have held membership for the past three consecutive years (2023-2025), and be members of the current membership year (2026).

Essay Question for 2026 Application:

As our nation celebrates its 250th birthday, we are reminded of the generations of Americans who have selflessly served and sacrificed to protect our freedoms. Two \$2,500 scholarships per division will be awarded.

Essay Question for 2026 Application:

As the United States celebrates its 250th birthday, we reflect on the generations who have served to build and protect our nation. How has the mission of the American Legion Auxiliary inspired you to remain active in the organization? How do you plan to carry on the legacy of sacrifice and dedication to make a meaningful difference in the world as we move beyond our nation's 250th birthday?

Children of Warriors National Presidents' Scholarship

The Children of Warriors National Presidents' Scholarship supports the children of our warriors pursuing higher education. Fifteen scholarships of \$ 5,000 each will be awarded to students who excel academically and volunteer in their communities.

Essay Question for 2026 Application:

As a descendant of a veteran, what lessons did you learn from your family's military service? How has that impacted your life, and how do you hope to honor that legacy as you make plans for your own future?

Non-Traditional Student Scholarship

This scholarship helps members of the American Legion Family, veterans, and the spouses of active-duty service members or veterans pursue a college degree later in life or resume their studies after interruption. One \$2,000 scholarship per division will be awarded, for a total of 5 scholarships.

Essay Question for 2026 Application:

As our nation approaches its 250th birthday, how has your membership in the American Legion Family and your family's military history affected your worldview and personal values? Home School Outreach-Part 1

Our Q1 Zoom session raised questions about how to reach home-schooled students to inform them about ALA scholarships and other programs they could participate in. Chelse Callahan, Department Education Chair, Washington, provided some helpful strategies for connecting with local homeschool groups. This is especially important as we seek to engage more families in our Auxiliary programs and scholarship opportunities.

Online tools are a great place to start:

- Search engines: Try phrases like “homeschool co-op [your city]” or “homeschool support group near me.”
- Social media: Facebook and Instagram often host active local homeschool communities. You can search by region and even post in groups asking for contacts or recommendations.
- State and local associations: Many states have homeschool associations with directories of local groups.
- Dedicated websites: TheHomeSchoolMom.com and homeschool-life.com both offer searchable databases of homeschool groups and co-ops.
- HSLDA’s local group finder is another helpful resource. <https://my.hslda.org/groups/s/>

In-person networking is just as valuable:

- Ask around—many families know of local homeschoolers through church, 4-H, or youth sports.
- Visit community hubs like libraries, churches, and parks where homeschoolers often gather.
- Attend local homeschool events or curriculum fairs—these are great places to meet group leaders and share Auxiliary resources.

Please send additional home school outreach ideas to your division chairs for inclusion in upcoming newsletters.

Legislative Bulletin

December 2025

Holiday Greetings!

Can you believe we've already reached the holiday season? It feels like we were just together at convention. While Washington, D.C. may be slowing down for the holidays, important legislation is still moving forward—and your voice matters. 📌 Mark Your Calendar

January 3: National Write to Congress Day

Start the new year strong by making your voice heard! This is the perfect opportunity to remind lawmakers that veterans' issues matter every day of the year. Take five minutes to send a message, share with your unit, and encourage others to participate. Together, we can amplify our impact.

Key Legislation on the Line

The American Legion supports H.R. 2605 and S. 1441, the Service Dogs Assisting Veterans (SAVES) Act

Too many veterans continue to go without the critical support they need to heal from both the visible and invisible wounds of war. For those living with physical disabilities, PTSD, or other service-connected conditions, the lack of access to trained service dogs remains a major gap in care. It's time to close that gap.

👉 Please take a moment to support this legislation:

[Click here](#) to act now

Why Your Action Matters

Legislation can feel distant or out of reach—but today, it's easier than ever to make a difference.

- Then: You had to write a letter, buy a stamp, and hope it reached your representative.

- Now: With just a few clicks on your phone, tablet, or computer, you can support multiple bills in less time than it takes to brew a cup of coffee.

💡 Imagine the impact if each of us supported 10 bills today. Every click helps—and our veterans are worth it!

Stay Engaged & Earn Recognition

Make advocacy part of your routine:

- Sign up for alerts. When you receive one, click and share—it's that simple.
- Track your actions. These records are essential for your end-of-year report.
- Aim for recognition. Did you know there's a Unit Award for the Most Outstanding Unit Legislative Program (per department)? This could be YOUR unit! Document your efforts and submit your report by May 1st.

Closing Thoughts

As we celebrate Christmas and welcome the New Year, let's commit to putting Arizona first in legislation. Together, we can ensure our veterans receive the care and support they deserve.

For God and Country,

Kathy Amery

Good Morning!

As we say good-bye to 2025, let us remember the everyday, special, moments that make up our lives. Remember the impact that together we make for veterans, military, their families and our communities. Got the holiday blues? Just scroll through our Ring Your Bell Facebook page to see the smiles and gratitude. Make it one of your regular past times.

Let us say a prayer for those that we lost this year and keep their families close to our hearts.

And as we head into 2026, let us bring optimism and hope for a great year. A year that welcomes all members—new and old. A year that reminds each of us that we ARE THE ONE who can make a difference.

With that said, let's talk about this week's standings!

●Four Districts are over the 70% mark:

- District 7 is in **first** with 71.62%! Unit 3 Flagstaff, Unit 22 Golden Valley and Unit 81 Lake Havasu City led the way to their 6-percentage point increase. Unit 87 Bullhead City is at 95.16%!
- Close on their bumper, in **second** place, is District 12 at 71.47%-- big moves by Unit 34 Cave Creek and Unit 64 in Phoenix.
- District 3 is in **3rd** with 70.65% with Unit 45 Benson jumping over 10 percentage points!
- In **fourth** is District 2 at 70.35%. Unit 59 Tucson and Unit 66 Green Valley both made significant gains.

●DISTRICT 4 jumped 20 percentage points to 49.18%. Thank you Unit 9 Florence and Unit 54 Coolidge! Still a ways to go, but momentum is moving in the right direction for sure!!

●Other Notable Unit gains: District 1: Unit 56 Yuma; District 5: Unit 45 Benson; District 6 Unit 37 Holbrook; District 11: Unit 5 Phoenix and Unit 145 Peoria. Keep up the great work!

●**PLEASE REMIND UNITS about the 100% Unit Award: Units that reach 100% goal (as verified on ALAMIS) by January 31, 2026 will receive ALA Keychains with phone stand and cleaner--- one for the Unit President and one for the Membership Chairman. Nice bragging rights!**

Warmest holiday regards,

Merry, Merry All,

Department of Arizona is currently in 4th place in the Western Division—just behind California. I'm not worried, we have time to pull ahead just when they least expect it!

At a local level:

- Last week I mentioned the 4 Districts (3, 5, 8, 12) that continually vie for 1st. WE HAVE A NEW ENTRANT: District 2 has moved into 4th place. [Congratulations](#) to the Tucson area Units—nearly all of them increased their performance from last week.
- District 12 is in 1st place this week at 69.44%. Unit 41 jumped 10 percentage points and Unit 64 jumped 30 points! Yahoo!
- District 3 right behind at 69.03%. Unit 16 in Bisbee jumped nearly 10 percentage points. They are a small unit that made a big difference this week!
- District 8 is in 3rd place with 68.02%. Notably, Unit 78 in Humboldt jumped 5 percentage points.

A note about Junior members:

- We had nearly 400 Junior members pay 2025 membership dues. As of today, we have 208 Juniors paid for 2026.
- Junior members do not get their own renewal notices addressed to them, so we rely on their sponsor to remember to renew them.
- FYI, I sent reminders directly to the Units that committed to the Junior Challenge during the Convention in June. So far only 2 Units have met the challenge to sign up 5 new Juniors by year-end.
- BTW, I loved the process of renewing by phone for the Juniors I renewed. I didn't know their member numbers—just their names. A customer service representative at National answered the phone, looked them up, charged my credit card, mailed the Juniors their cards. Slick!

●(317) 569-4570

Enjoy the season, and as Tiny Tim said: God Bless us, Every one!

December 12, 2025

Happy Friday!

Less than 2 weeks to Christmas. WOW. There's a lot going on, so be sure to stop and smell the eggnog (pine needles?, holiday spice?)!

As we head into the end-of-year-membership-expiration, things seem to be heating up!

- Districts 3, 5, 8 and 12 are in pack heading to the East Coast continually vying for the top spots. This week, District 3 is in the top spot (by less than one percentage point!). Other Districts are right behind, so the field is still open. Vroom. Vroom...
- Percentage-wise, several Units jumped significantly: Unit 133, Maricopa; Unit 103, Meadview; Unit 90, Black Canyon; Unit 115 Glendale all jumped over 20%! Thank you!
- Number-wise, we also saw some huge moves: Unit 136, Tucson; Unit 109, Vail; Unit 86, Overgaard; Unit 81, Lake Havasu City; Unit 12, Wickenburg; Unit 62, Peoria; Unit 105, Peoria; Unit 27; Apache Junction; Unit 65, Phoenix rocked it this past week. Right on!
- Challenges coming due Jan 1:
 - Unit 91 challenged Unit 35; Highest percentage % of Membership by January 1st, 2026, \$100 to President's Special Project. Check out the standings to see where you are.
 - Unit 8 challenged Units 27,36,41,39,86,25,61,29,65,109,& 8; 5 new Juniors per unit by January 1st, 2026, Units not meeting challenge: \$100 to President's Special Project. **I have attached the file of new Junior members, by Unit, since convention. It seems a bit of work to do by January 1....**

Thank you, Viki Jackson from Apache for sharing one of their success stories: They found that people were not answering their phone calls (seems like nobody answers calls from people they don't know anymore), so they started texting first and then following up with the phone call. Members answered and appreciated the reminder! Got a success story? Please share it!!!

Keep up the great work!

YAHOO!!!! DEPARTMENT OF ARIZONA HAS REACHED 60%!

Now is the time to really press year-end expiration-- reminding members to renew their commitment to their veteran and the mission we support.

- If you have a Post home, please ask your bingo callers, bartenders, meal servers, greeters etc to push renewals. Provide them with a heartfelt statement about the importance of members.

- Post home or not, please reach out via phone, email, snail mail. The easiest way to renew membership from home is to call National at 317-569-4570 during regular business hours. A real person in Indianapolis will answer the phone! They can look up members by name, take payment for multiple members, mail out cards, answer questions. So nice and friendly!

Troop Safety in Social Media

April Kollmorgen, ALA Central Division National Security Chair

You may be asking, What is Troop Safety? How is this something we're discussing within the ALA? We are volunteers who want to help our Veterans and Servicemembers, right? Well, yes, we are, but this is a subject we probably don't talk about enough because we have a lot of excitement around caring for our Troops, and sometimes in that excitement, the best intentions can turn into an inadvertent problem.

In today's modern age of social media, we have so many ways to connect and stay in touch and get news from anywhere. At the same time, we can also share things we maybe shouldn't. It is easy to become complacent and relax our standards, but the world, and especially the internet, is not always a good place.

For those who don't know, my husband retired a few years ago from the Navy. He also served on Submarines, so we had very different deployments from what many of you see and attend, so please keep an open mind in what I'm sharing here and understand my advice comes from experience, but also the side of caution.

Troop safety, when talking about social media, put simply, is this: not posting any information about military deployments or movements, or even saying where they are and for how long they may be there.

The internet is permanent, especially for family and friends. It is never a wise to post about service members' departure or arrival in real time. **Keep it to yourself.** You can ask our parents – unless they were in the same room as me during a deployment, they never had an exact date of coming or going. It was my responsibility to safeguard the deployment information that was granted to me, and I still take that very seriously, as it was a privilege. There were even a couple of times, I did not know the return date and had to just wait for the call the day before because of too many issues with others on social media.

As my husband told me while writing this, it's easier to have the service members' schedule change than it is to simply remove what's been put out onto social media. Inevitably, it's been seen, and it's too late.

While we often share things for fun or support, it's crucial to remember that some people may misuse sensitive information against our military. The saying "loose lips sink ships" still holds.

As part of our ALA mission, we may be invited to participate in Troop Deployments with our American Legion Family. If you haven't yet, consider volunteering your support—it's a rewarding experience. Here are some key things to remember about troop safety during these events:

- Follow **ALL** rules and information given to your group by the command in charge of the deployment. This information will usually be provided in advance so you can be ready to go.
- If they need a list of volunteers to vet access, please don't add last-minute names. They need time for everyone's security and safety.
- If permitted by the command, absolutely post pictures from the event.
 - Only post approved information about the event.
 - Only take/post photos of your members and tables, etc.
 - Wait a day or two to post – and say something like "We recently participated in" – never give actual dates/times or locations.
- Don't announce your participation in a deployment in advance, as it could lead to changes or make it private.
- Don't "go live" on socials either. It's another way to track troop movement.

All these things may also depend on what kind of deployment is happening. Some are more secret and need more care than others. It's always best to be cautious and follow instructions given by the command; they will guide you in anything sensitive.

This may seem like a lot of "no's" and "don't do this", and I don't put this out there to be fussy or scare anyone, but the simplest way to say it is this: In any dealings with our Active Duty and Deployments, just remember that less is more. Keep doing all those amazing activities and celebrations, and events you are doing. Use a little caution when using socials, and everything will be just fine.

Thank you for your attention to this and for all you do as volunteers for our Veterans, our Active Duty, and their families.

The American Red Cross, More than Blood Drives

Jane McKnight, Southern Division National Security Chair

The mission statement for the Red Cross is “The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors”.

Disaster Relief, Military & Veterans, Blood Drives, and Training

The Red Cross offers shelters, food, and support to individuals affected by disasters. Ninety-five percent of disaster relief workers are volunteers, and they respond to an average of 65,000 disasters each year. On average, the Red Cross responds to an emergency every eight minutes.

The Red Cross teaches lifesaving skills and distributes international humanitarian aid. Services include training in CPR and AED, First Aid, BLS (Basic Life Support), Babysitting, Caregiving, Water Safety, and more.

The Red Cross supports veterans, military personnel, and their families by maintaining a presence at over 380 military installations and deployment sites worldwide. They process more than 1,300 emergency communications daily and provide care and comfort to over 561,000 patients each year through hospital rehabilitation and morale programs.

They supply about 40% of the nation’s blood supply. Every two seconds, someone in the U.S. needs blood or platelets. Each year, approximately 6.8 million people in the U.S. donate blood.

WARRIOR WEDNESDAY

Department National Security Chairs
Have you completed your assignment?

I have asked that you share the link to recognize someone for Warrior Wednesday. It does not need to be someone you know, but there must be at least one person in your department who has a connection, and the link can be sent to share their story.

So, let’s complete the assignment, and then you can give yourself an **A+++**.

Also, others will become better informed about the lives of those who are protecting our freedoms.

Thanks for your immediate attention to this task.

Pam Seelye, 2025-26 Western Division National Security Chair

President Franklin D. Roosevelt, prior to America entering World War II, had the idea of uniting several service groups into one organization. This organization was to help lift the morale of the military and help those at home support them. The organizations that he approached were the Salvation Army, Young Men's Christian Association, Young Women's Christian Association, National Catholic Community Services, National Travelers Aid Association, and the National Jewish Welfare Board, and this became the United Service Organizations or, as we know it, the USO.

Since 1941, the USO has supported our nation's military and their families as they defend our country and its freedoms. Providing support to our service members as they meet the challenging duties they undertake around the world. The USO principle is "to be always by their side."

The reach of the USO's more than 250 centers extends to countries on every continent, operated by thousands of staff and volunteers whose goals are to match our service members' commitment and provide the best service to those who sacrifice so much for America.

The USO today continues to serve the needs of our men and women in uniform and their families, so they can focus on their very important mission. The USO operates USO centers at or near military installations across the United States and worldwide. USO centers can be found in most of the major airports, providing hospitality for traveling service members and their families, bringing them a little touch of home.

The USO is not part of the federal government, so they do not receive government funding, and they rely on the generosity of individuals, organizations, and corporations to support their activities. Their centers are manned by generous and giving volunteers, giving of their time and energy, giving back to those who continue to serve their country.

Wish to become a volunteer at a USO? Go to [USO.org/volunteer](https://www.uso.org/volunteer). This will lead you to an application process.

Supporting Gold Star and Blue Star Families

The American Legion Auxiliary supports families whose servicemembers made the ultimate sacrifice. It is important to work with other like-minded organizations to create a greater impact.

Gold Star Mothers is one such organization. In 1928 Grace Darling Seibold along with 24 other women who had lost children in service to our country created American Gold Star Mothers, Inc. to honor their children, heal together, and support veterans and the nation. In 1936, congress designated the last Sunday in September as Gold Star Mother's Day and in 2011 it was changed to include families. Today the last Sunday in September is designated as "Gold Star Mother's and Families Day."

How can we help our Gold Star Families? Make them aware of the Fallen Hero Tree where each November personalized ornaments are placed on trees representing the fallen from the Civil War to current time. They also have a program to send electronic Birthday Cards to children 18 year and younger.

You can find more information at <https://americasgoldstarfamilies.org/>

Blue Star Families was founded by military family members in 2009 to empower these families to thrive as they serve. Connecting military families with their community will help to strengthen them with a greater support system. When we are connected to our neighbors it is easier to reach out if a need arises. It can be as simple as needing a little sugar to finish a recipe or a complex as a water leak. Being a good neighbor, we can help our military family find the

Supporting Gold & Blue Star Families Cont..

repair company needed. There is a comfort of safety when you know your neighbors and watch out for each other.

Blue Star Families have programs to assist military families through the many moves they experience. We can offer to host one of the Blue Star Family activities in our post home. We are good at volunteering and that is sometimes all that is needed to provide a successful program for the military family. Google Blue Star Families to find other ways to assist.

POPPY REPORT
DEPARTMENT OF ARIZONA
January 2026

We are in the last part of the fiscal year, and all units are busy with the different programs, some work in coordination with the Poppy Program.

As stated previously, all states in the western division are experiencing less participation in the Miss Poppy and Poppy Poster contest. Although several ways were discussed to encourage participation, it still comes down to Junior participation and getting the community schools involved. Neither is easy with the many school options of sports and liberal arts for students which involve time commitment.

The Miss Poppy participation should be year-round starting in May and ending in April to allow for reporting of events attended.

The Poppy Poster contest can start when school starts or in January. This depends a lot on the school staff and how they decide to work it into their lesson plans. This requires the school to have an end date so the posters can be picked up for local, state and national judging. Perhaps we can generate interest by giving out certificates to the teachers and student local winners. This committee has discussed this and has created some options.

Members wonder why the focus is more on the Poppy Poster Contest than on Miss Poppy. Poppy Poster Contest can be promoted by everyone with more community involvement. Miss Poppy requires a year-long commitment from a Junior. If you have no Junior members, which is the case with several Units, the part of the Poppy Program is not worked by the Unit.

We had two Units promote the Poppy Poster Contest last year and there are three committed this year. I am encouraging more Units to get your community involved. The last few years have produced National winners from Arizona.

The prison workforce has gotten their first batch of poppies through the quality control process and are working diligently to produce more poppies. Thank you, Wendy, for taking the initiative to get this started.

There are other contests at convention, so review the requirements. Next edition will review them in-depth for you.

For God and country.

POPPY REPORT
DEPARTMENT OF ARIZONA
December 2025

We attended the Quarterly Zoom Poppy Meeting, and the following is part of the discussion.

Everyone has issues with getting participation in the Poppy Poster and Miss Poppy parts of this Poppy Program. Reasons are not enough Juniors and not enough interest in Miss Poppy and not enough Senior members interested in promoting the Poppy Poster Contest.

Ways of getting participation in both programs was discussed with the most discussion about the Poster Contest. Suggestions to not only contact the schools but to contact Girls and Boys Scouts, churches, and Boys and Girls Clubs for entries.

\
Emblem Sales is now printing cards utilizing some of the winning entries so check it out. These could be utilized as incentives to participate in the Poster Contest.

If you are participating in this program the information is available on the Department website under this Program.

In rural areas the Girls State Coordinator promotes Education and scholarships so this might also be added since the coordinator already goes to the high schools.

Miss Poppy has a scrapbook. Now it is digitalized. By promoting that fact Junior interest can be generated. An individualized cover for the scrapbook can be made and then photographed as part of the digital scrapbook.

Rose advised we are short 16,000 poppies. Great news! I have two new civilian poppy makers starting in January and we now have a total of four members working on this, with two more interested. Wendy has contacted the local state prison and has trained ten veterans and the appropriate state personnel. The inmates are now making poppies and on the first day 350 were generated. Great progress for just a few hours! The veteran participation is being tracked by prison personnel and Wendy will be monitoring the progress also. This will be an ongoing program for the inmates selected to participate.

Keep up the good work and encourage others to participate. If you have not started a Poppy Poster Contest, consider starting one in January and start making your contacts now so teachers can make their plans accordingly.

For God and country.

Buddy checks have been vital in the winter months especially, when focus shifts to mental health and well-being during the holidays and shorter days. The Buddy Check is a peer-to-peer initiative where members reach out to fellow members (by phone, text, or visit) to check on their well-being, foster connection, and guide those in need to services, or help. Here are a few ways to get involved:

- Gather up a team to call, or if possible, personally visit members and former members of the American Legion Auxiliary to make that Buddy Check. Sometimes that personal touch is all that is needed to lift their spirits.
- Make a list of local resources that includes services like financial aid, employment opportunities, veterans' services, home and auto repair, caregiver services and any other known benevolent resources for veterans and their families.

Honor Flight

Submitted by MaryAnn Paul
Southern Division VA&R Chair

What happens when American heroes board a plane full of gratitude? You don't just get a flight...you get a flying celebration of courage, laughter, and living history.

This incredible organization has been dedicated to honoring our nation's heroes. They have successfully completed numerous trips, transporting many veterans to Washington, D.C. to pay their respects at the memorials dedicated to their service and sacrifice.

On every Honor Flight, veterans swap war stories for joy stories –

Smiles replace helmets,

High-fives replace salutes,

And instead of marching, they're escorted with honor, love, and cheering crowds.

Member Spotlight

This month we are spotlighting Mary “Peggy” Magahay, a 42 year member of Unit 48 in the Department of Virginia. She is the ALA Representative at the Hampton VA Medical Center and has logged over 5335 volunteer hours. She is currently on-site at least once a week helping her husband coordinate poppy-making by the veterans, as well as processing, packing, and shipping orders, and making sure the veteran poppy-makers get paid. In Virginia, all poppies are handmade by hospitalized veterans at that location so it is a busy job! She stands ready to assist with whatever is necessary to enhance the lives of veterans at the facility.

Send us your nominee and their picture for the next Member Spotlight!

Honor Flight

Each seat on that plane holds a story that shaped our nation – Stories of bravery, brotherhood, courage, sacrifice, and yes...even some mischief and humor from their service days!

These veterans didn't just serve history – they ARE history, and today, they get to relive it surrounded by appreciation, respect, and the kind of welcome home they've always deserved.

Honor Flight isn't just a trip, it's a THANK YOU, a HOMECOMING, a CELEBRATION.

There are many ways to get involved with Honor Flight, from donating to fundraising to volunteering. Post families located near Washington, DC host events providing meals and fellowship for veterans and their guardians after a day of visiting monuments. But what about those of us located elsewhere? We can contact local hubs for information about participating in *Send-off* or *Welcome Home* events, or for deadlines to send letters for *Mail Call* where veterans on Honor Flights are given letters and cards from the public expressing gratitude for their service and sacrifice. There is a way for every one of us to get involved.

*On behalf of the VA&R Committee, we wish you
the very best of the holiday season!*
