

November Membership Bulletin

Weekly Membership Report - Are posted weekly on our website:
<https://aladeptaz.org/10-membership-tools>

The American Legion Auxiliary Department of Arizona Shining Stars continue to shine so Bright for membership. We are just under one month away from our first membership goal of 50% due on **Veterans Day November 11, 2026. We can do this!**

Text members to join

Call members to renew

Looking at the numbers, I can see that you are working hard to renew current members, recruit new members and reach out to those who may be eligible to join. Every renewal and every new member bring us one step closer to reaching our goal. This week, I challenge every District and Unit to personally reach out to at least one potential member and one current member who has not yet renewed. Make the call, send the text message, extend the invitation, and let them know there is a place for them in our American Legion Family. At your next meeting, take a few minutes to report back:

How Many members did your contact?

How many renewed?

How many new people did you ask to join?

Small actions, repeated every week, will get us to 50%.

New eligibility resolution expands ALA membership - Check out the [ALA blog](#) to learn more. This is for Female or Male Veterans family members not only Female Veterans. (If you have any questions regarding eligibly, please contact Department.) This will also be covered more at Fall Convention.
