Happy National Poppy Day!

Many of you are having Memorial Day events this weekend. Be sure to wear your “membership hats”! Memorial Day is a perfect illustration of what our organization is about. Get those family members to actually join—not just sit on the sidelines as guests. Share your passion in one-on-one conversations. Wear your poppy wherever you go! Every member counts.

- **District 8** made big moves this past week! Last week, they needed 54 members to reach goal. This week they only need 35! Thank you Unit 25 in Cottonwood for adding 18 new members this past week!
- **District 2's** Unit 59 in Tucson reached 100% of goal this week. Persistence matters!
- Our top 3 Districts are all over 100%. **District 11** remains in First Place with 103.55%; **District 6** remains in 2nd with 102.90%; and **District 1** is in 3rd with 101.21%.
- **District 7** is at 99.42%. Last week they needed 11 members to reach goal, but now they are down to 9. GO GO GO!
- **District 5**- you are only 5 members from goal! Review your reports (or ask me to help you get reports) and find members to haven't renewed.
- **Thank you to all Districts who increased membership this past week.**

May 27 is 30 days before convention.... If you have renewals or new applications be sure to process them ASAP to be counted for this year's convention and awards! Speaking of which, I'm looking forward to seeing you at Convention and at the Installation of 2026-2027 Officers.
