

Education August 2026

Welcome to the exciting world of education! Education is a lifelong process that starts at birth and continues to the last breath of life. This year, you have the opportunity to make an impact on the lives of students and educators. Brainstorm, be creative, and encourage your members to do the same. How many lives can we touch? We are limited only by the number of people living in our communities, state, and nation.

The Education Program promotes the American Legion Auxiliary's role in providing quality education for children and adults through classroom activities, literacy programs, scholarship opportunities, and support of education beyond high school, especially for military children.

What can you do?

- Enhance respect for the sacrifices of our military heroes among school children by scheduling Veterans in the Classroom programs at local schools.
- Promote American Legion Auxiliary scholarships and award local scholarships at the Department and Unit levels.
- Build a relationship with your local schools - focus attention on "Give 10 to Education", American Education Week, and Teacher Appreciation Week.
- Assist and support veterans pursuing higher education and vocational education.
- Assist and support military children with educational opportunities.

With your help, I hope to assist the National Chairman in achieving these objectives. More information on the activities, programs and awards for the Education Program will be forthcoming in future bulletins and at Fall Conference.

I thank you in advance for all your work in making this a successful year for the Education Program. I look forward to sharing ideas and working with all the Units in the Department of Arizona.

In the Spirit of Service, not for self,
For Veterans, God, and Country,

Julie Vietri

Education Chairman
Department of Arizona
