What are the ALA National Scholarships?

- **CHILDREN OF WARRIORS NATIONAL PRESIDENTS' SCHOLARSHIP** – One of the ways the American Legion Auxiliary serves our country's veterans and their families. Given to high school seniors who are direct descendants of U.S. wartime veterans.
- **SPIRIT OF YOUTH SCHOLARSHIP FOR JUNIOR MEMBERS** – One of the ways the American Legion Auxiliary gives to those who are Junior members. Given to current ALA Junior members who are high school seniors and who have been Junior members for the past three years.
- **NON-TRADITIONAL STUDENT SCHOLARSHIP** – One of the ways the ALA helps those part of The American Legion Family, veterans, and veteran or active-duty military spouses pursue a college degree later in life or allow them to pick up where they left off when their studies were interrupted.
- **MEMBER LOYALTY SCHOLARSHIP** – One of the ways the ALA helps former American Legion Auxiliary Junior members who retain their membership into adulthood. Given to current college students.

Recommendation Letters

Confidential recommendation letters CAN be emailed to Education@ALAForVeterans.org.

Please include the name of the student as well as the scholarship for which the student is applying in the subject line.

However, applicants cannot complete their application if they do not upload something in the recommendation letters portion.

Applicants should create a document stating that a letter of recommendation will be emailed to education@alaforveterans.org. Include in the document the name of the person who will be writing the letter of recommendation, so it will be easier to match up with their application when received. Then attach that document to the application instead of the letter of recommendation.

Check out more information about our ALA National Scholarships using this QR code.
