

Happy October, Department of Arizona!

We are heading into one of the busiest times of the year for many of us, with holiday planning, activities with our Post family and friends, and traveling to spend time with family out of state.

As you go about your busy schedules, I encourage you to keep an eye out for a child who is going above and beyond. You may know a young person who has performed an extraordinary act of kindness, helped someone in need, or demonstrated courage and compassion. They may be eligible for the Youth Good Deed Award or the Youth Hero Award.

These are wonderful opportunities to recognize the amazing young people in our communities and let them know that their actions matter.

You can find all the details and requirements for these awards here:

I also want to give a special shout-out to **Unit 91** for their amazing donation of school supplies to Hartford Elementary School! Thank you for continuing to support our schools and the children in our communities. Your generosity truly makes a difference.

Let's continue to shine our light on Arizona's youth and recognize those who are making a difference in the lives of others!

Thank you for all you do for our Children & Youth!
