I AM SO EXCITING FOR THE SHINING STARS OF ARIZONA! YOU ROCK!

Just and FYI the first deadline which was 50 percent by November 11, 2026 has been extended until December 15, 2026. We have two districts who have already reached the 50 percent mark. Way to go District 2, and 3. I have a special gift for the first District President & Vice President that reaches 100 percent first. We have District 4, 6, 8, 11, 12 are all less than 9 percent to the 50 percent mark. All districts are within 20 percent of the 50 percent deadline. I am here to help if you need me.

I guarantee we will be at 50 percent by next week. Ya have me in tears over here . I thank you for all your hard work you are doing. I appreciate each and everyone of you.
