

FIYAVALHU
MALDIVES

WELCOME

Off the southwest coast of India, scattered like ivory pearls, lies The Maldives, one of the most stunningly beautiful island nations in the entire world.

Fiyavalhu is a unique 5 star resort located on the one of the only native inhabited islands in the Maldives, its name means literally means to *leave a footprint for a moment in time*.

ABOUT US

The Resort features 20 villas on the beach and 24 villas located by the garden. Both one bedroom and two bedroom accommodations are available.

The main facilities such as the reception, restaurants, public pools, water sports and boutique shop are all located within close proximity to all the villas.

The resort embraces the first “Resort on a local island” concept that creates a unique experience for guests on the island.

ARRIVING

Fiyavalhu Maldives is accessible by both seaplane and domestic flight from Velana International Airport in Male.

The commute to the resort is approximately 30 minutes by seaplane or a 25 minute domestic flight and a 30 minute speed boat transfer from the Villa International Airport in Maamigili.

ACCOMMODATION

The Fyiavalhu design takes into consideration the sublime surroundings of the beautiful environment of the island of Mandhoo and the simple Maldivian lifestyle.

Our villas are located along the beach and the garden side of the island.

Garden Villas are nestled within beautifully manicured green spaces created by multicolored bougainvillea and hibiscus along with a variety of locally grown plants.

Beach Villas are intimate and comforting in their styling and allow the natural island vegetation and the sea to bring a balmy breeze into your private patio.
