**“Where is God? Finding His Presence in Your Daily Life.”**

**Ed Niehenke, Lecturer**

**“... seek, and ye shall find ...” Matthew 7:7**

**We’re told to look for God in many places—in the scriptures, in our daily prayers, in our weekly worship—but God is everywhere. His presence surrounds us. Once we realize**

**this, we can begin to learn how to find Him in our daily lives. Consider ways you can find him in your life, no matter what you’re doing or where you’re going.**

- **See your world through the lens of gratitude**
- **Seek His glory in the beauty of nature**
- **Feel His presence as you serve your fellow man**
- **Search for His spirit in moments of stillness**

**When I helped out at the Lenten Soup Supper and met many OLPH parishioners it helped me on the journey to find God. Then when I went to the Stations of the Cross followed by the Festival of Praise I was certainly tuned into the frequency where God is present. Now when I say my evening and morning prayers, I feel closer to God**

**Please share your experiences where you feel close to God.**
