**Peabody Conservatory of Music Concert
October 7, 2022**

While attending the concert at the Peabody Conservatory of Music I was struck with joy and passion with the talents of the young musicians. They certainly had received God’s gifts in the playing of their instruments and worked hard to perfect their technique which gave the audience joy and pleasure. After the concert I met with many of the musicians and thanked them of their wonderful performance.

A Verse from the Bible: 1 Peter 4:10

As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God.

How have you used God’s Gifts in your life?
