This level is geared toward the child who is beginning dance training, ages 4 to 6. All dancers will take classical ballet and theatrical tap for 45 minutes a week on Saturdays. Classes are carefully planned to introduce young children to the wonders of dance, self discipline, and how to use their bodies. Various styles of music, and dance vocabulary are used to keep the class interesting and their young minds active and learning. Classes are designed to develop fine and gross motor skills and self confidence. Dancers learn to follow directions, and work in a group or independently. The goals are to foster a joy for dance and a love for learning.

**Please remember that most dancers stay in this level for 2 or 3 years.**
