This class is geared toward the pre to teen who has the interest for challenging technique and exposure. Concentration is on strong ballet and Contemporary work. Guest Teachers and Choreographers also work with this class. Through the Soloist Project and Dance History, dancers have presented Classic Ballets, such as, The Nutcracker, Swan Lake excerpts, Blue Bird, Don Q, La Bayadere, Raymonda, Le Cosaire, Esmeralda, to name a few.

Dancers in this level also perform Community Service Projects which give them hourly credit for their schools. They perform for Senior Citizen Homes, and Assist with teaching younger children's classes in the school. Ages for this level range from 14-18 years. Emphasis is on building stamina, and muscle strength. Refinement of posture, use of Épaulement, and connecting steps both on flat and pointé. Mastery of all turning steps, and petite and grand allegro steps. The desired result of classes produces a more poised and elegant body and personal presentation. Many of these dancers use this Intermediate to Advanced work to apply to colleges and universities. Dancers may attend 3 days a week, however, they are encouraged to take classes 5 days a week.
