

Hello, Rockwood friends!

The Rockwood Recreational Facility is about ready to get our summer started! General Manager Joe Hutchinson and Operational Manager Ashley Duntz, along with the staff of guards, coaches and instructors, are excited about the upcoming season and looking forward to seeing you all soon.

We hope to have you as a part of the Rockwood pool community this summer! Enclosed is the membership form for you to complete and return. For our in-Rockwood neighborhood members, we have also enclosed a membership form to share with your out-of-Rockwood neighborhood friends and family to join the fun. *New this year*, beginning when we move to "school hours," Rockwood will have a have adult (18 and over) member lap swim from 11:00 a.m. to 1:00 p.m. Monday through Friday. Guest policy still applies, and we will be very strict on *no one under the age of 18 will be able to be inside the facility.*

For a paperless application process - a fillable form, including link to electronic payment, is available from the Rockwood website or at [In Rockwood 2025 Membership Form](#). Just complete the application, email to Rockwood Pool and pay!

We truly believe that a Rockwood Pool membership is a fantastic bargain.

Be sure to secure your membership before April 15th to receive the early-bird special of four guest passes for an even better value.

A reminder on our guest policy - Anyone 18 and older may come as a guest only a total of five times. So, please encourage your friends who come as guests frequently to consider becoming Rockwood members this summer!

Swim Team and Swim Lessons - Joe oversees both of our youth swimming programs. Our coaching staff ready to teach and encourage the kids to become faster swimmers. Our lesson program was bursting at the seams last summer so we are working to be able to expand our offerings. Swim lesson and swim team enrollment forms will be available on the website as soon as details are finalized later this spring. Please email or call Joe (information below) for specific questions about either of these programs.

Don't forget about the patio room which members can rent for private events - just get details from pool staff. If you are new to Rockwood, and want an early peek of the facility, please contact a Rockwood board member for a tour (or just come to a monthly board meeting which is held in the patio room).

We are happy to answer any questions you may have. We, and our staff, will do our best to serve this community well and make this upcoming summer the best yet! Rockwood Pool is a great place to spend your summer! *We look forward to seeing you at the pool!*

Thank you,

Joe Hutchinson, RW Pool General Manager
