2020 Swimming Lesson Schedule

All lessons will be held from 11:15-11:55

Session One

Week 1 June 15-18 (Mon-Thurs), Week 2 June 22-25 (Mon-Thurs)

Sign up at the pool office or send filled out form to hutch.joe.70@gmail.com by June 12

Weather (only) make up day, Friday June 26, same time

Session Two

Week 2 June 29-July 2 (Mon-Thurs), Week 2 July 6-9 (Mon-Thurs)

Sign up at the pool office or send filled out form to hutch.joe.70@gmail.com by June 26

Weather (only) make up day, Friday July 10, same time

Session Three

Week 3 July 13-16 (Mon-Thurs), Week 2 July 20-23 (Mon-Thurs)

Sign up at the pool office or send filled out form to hutch.joe.70@gmail.com by July 10

Weather (only) make up day, Friday July 24, same time

Level 1 - Introduction to Water Skills

This class is designed to help students feel comfortable in the water and enjoy the water safely. Orients the student to the aquatic environment and help them gain basic skills.

Skills learned at this level:

- Enter and exit the water using ladder and steps
- Blow bubbles through mouth and nose
- Submerge mouth, nose and eyes
- Open eyes underwater and retrieve submerged objects in shallow water
- Supported front and back glide and recover to a vertical position
- Supported back float and recover to a vertical position
- Explore tread with arms and hand actions
- Explore kicking on front and back

Level 2 - Fundamental Aquatic Skills

Required skills to enter this level:

- Enter unassisted, move 5 yards, bob 5 times to chin level and safely exit the water
- Float on front with support for 3 seconds, roll to back and float on back for 3 seconds

This class is designed to give students success opportunities with fundamental aquatic skills. To help the students gain greater independence in their skills and develop more confidence in and around water.

Skills learned at this level:

- Enter and exit the water using the side of the pool
- Submerge entire head and blow bubbles
- Open eyes underwater and retrieve submerged objects
- Front jellyfish float and back float unsupported
- Recovery from front and back float and glide
- Swim 15 feet using front and back crawl
- Explore breaststroke kick and arm movement
- Explore dolphin kick
- Practice bobs consecutively in chest deep water

Level 3 - Stroke Development

Required skills to enter this level:

- Step or jump from the side into chest deep water, front float unsupported for 5 seconds, roll over to a back float and return to a standing position
- Push off and swim using a combination of arm and leg actions for 15 feet on front and again on back

This class is designed to give students opportunities to build on skills learned in level 2.

Skills learned at this level:

- Jump into deep water from the side and return to the side
- Head-first entry from side in a sitting or kneeling position
- Front Crawl (freestyle) – 15 yards, using side breathing
- Back Crawl (backstroke) – 15 yards
- Learn recovery strokes of elementary backstroke and sidestroke
- Explore breaststroke
- Explore butterfly kick and body motion
- Explore fundamentals of treading water

Level 4 - Stroke Improvement

Required skills to enter this level:

- Jump from the side into chest deep water, swim front crawl for 15 yards with face in the water using side breathing
- Maintain position by treading water or floating for 30 seconds
- Swim back crawl for 15 yards

This class is designed to give students opportunities to develop confidence in skills learned in levels 1-3 and begin competitive stroke work.

Skills learned at this level:

- Dive from the deep end of the pool in a compact or stride position
- Open turn on front or back
- Front Crawl (freestyle) – 25 yards, using side breathing
- Back crawl (backstroke) – 25 yards
- Breaststroke – 15 yards
- Butterfly – 15 yards

Level 5 - Stroke Refinement

Required skills to enter this level:

- Jump from the side into chest deep water, swim front crawl for 25 yards, maintain position on back for 1 minutes then swim back 25 yards
- Swim breaststroke for 15 yards

This class is designed to give students opportunities to fine tune the skills from level 4 and become proficient in freestyle and backstroke.

Skills learned at this level:

- Racing dive (shallow, gaining length and not depth) from deep end
- Freestyle flip turn
- Backstroke flip turn
- Front Crawl (freestyle) – 50 yards
- Back crawl (backstroke) – 50 yards
- Breaststroke – 25 yards
- Butterfly – 25 yards
