

2020 Rockwood Pre-Swim Team

A brand new idea to work one-on-one with any swimmer 6 years old or under or who has not swum competitively before during the second week of June. These individualized sessions are a great way for young or new swimmers who are a little unsure of how swim team is to get a chance to be more comfortable with a swimming practice before we have bigger groups.

- Requirements – swimmer must be 6 or under OR be a first time swim team member
- Sessions are 20 minute one-on-one instruction with Joe Hutchinson
- Cost - \$30 per swimmer
- Parents are encouraged to watch, but must be seated on the far side of the pool
