Fun Times

National Night Out

Thank you to the neighbors who attended our National Night Out event on October 1st. We had fun meeting with the Mayor and his team, our First Responders and we had tons of fun with our neighbors. We hope you enjoyed it as much as we did!

Thanks to HEB's True BBQ and Kona Ice for their wonderful service and yummy food. We hope to see everyone next year!

Please be mindful of the children that are walking or riding their bikes to and from school.

We Need People to Serve

In order to keep our dues low, we have volunteers that are apart of the Ember Creek Estates Community. Every year we host elections for our CIMA Board. Your dues are waived if you serve on the CIMA Board. We are looking for the following positions: President, Secretary, and Treasurer. If you are interested please contact us. We want to serve with you!
