

Get started with SSI!

Create an SSI User Account and affiliate with Submerged by either of the following methods:

Cell Phone:

Scan this Custom QR Code for Submerged, Inc with your cell phone camera which will take you directly to the website to create a user account. Most phones cameras will scan a QR code automatically.

Web browser:

Type the following address into your web browser or click the link below:

<https://www.divessi.com/register/ref/809768>

If you already have an SSI account but need to affiliate with Submerged:

Sign in to your account at www.divessi.com

Under MY PROFILE find the link to affiliate to a training center

Select USA → Maryland → Rockville → Submerged, Inc. (809768)

Once your account is created and you are signed in:

Fill in your profile with as much relevant details as possible and upload a photo (photo is required for processing a certification)

Start exploring. There are a few programs that you are given free of charge, including the first chapter or so of the Open Water Diver program. Go ahead check it out!

Download the MySSI 3.0 app (available for Android and iPhone). This is a super handy app.

- Review your online course materials even when not connected to the internet
- Store your certification cards
- Use the digital log book
