BUILDERS CLUB

What to Expect:

- Building challenges that encourage creativity
- Opportunities to form meaningful, interest-based friendships
- Practising self-advocacy in a supported environment
- Turn-taking, flexibility, and collaborative problem-solving

A creative, block-based, 8-week program where children come together to build, explore, problem-solve and strengthen social skills — one brick at a time.

Total Cost:

11.5 NDIS Hours

*report included in cost
